New Civil Defense Plan Approved By Council

Plan Designates Duties Of All City Departments; Evacuation Routes Told

An elaborate and extremely detailed Civil Defense and Disaster plan was adopted by the City Council Monday night.

Purpose of the plan, according to City Manager Edward Frank, is to provide for the preservation of life and property, continuation of government, to minimize the effects of enemy action and natural disasters, to preserve the maximum support for war effort and to provide a basis for the planning and coordination of efforts and resources for civil defense and disaster use.

The new plan is not an action plan as to what the city is going to do in the event of a nuclear attack or natural disaster, but is an outline as to who is responsible for doing what.

The old plan, now recognized by the State Disaster Office in Sacramento as obsolete placed great emphasis on evacuation. Since its adoption, plans for combating the effects of war and natural disasters have changed with the advent of the ICBM, warning time has been reduced extremely, and shelters have been developed that provide great protection against the effects of radiation. Modification of the original plan, therefore, was necessary.

The old plan was vague, and loosely worded. The new one spells out specific responsibilities for each of the city departments to be enforced by the head of the department. It sets up probable conditions as to how it might be, instructing each of the departments as to what is to be done and who is to do it.

Copies of the plan will go to the various department heads now, whose responsibility it will be to determine exactly how the designated duties are to be carried out. These duties will be referred to as annexes to the plan.

The plan will now be submitted to the State Disaster Office for its approval or rejection. If approved it will be integrated within the State's overall plan, and the city will be held accountable for enforcing its part of the plan if ever necessary.

The plan as drawn up by Frank, Asst. City Manager Phillip Brown, and William Ward, regional director of CDA, fills 35 pages, and designates such responsibilities as law enforcement, traffic control, communication and fire suppression, rescue, radiological defense, first aid and instruction in training of personnel to the police and fire departments, respectively, etc., for each department.

All city officials and employees of the city are automatically assigned to the civil defense organization.

According to the plan, residents are instructed to evacuate to the south, down the Peninsula. Daly City has been divided into three districts for this purpose.

The routes to be followed are as follows:

District 1—Those areas east of Mission street—All persons in this district will travel south on Hillside avenue to Linden avenue, turn left on Linden, cross Airport blvd., enter Bayshore Freeway to Fifth avenue, Fairoaks avenue, Watkins avenue; to Encinal School at Middlefield and Encinal avenues, in Redwood City.

District 2—The area between Junipero Serra boulevard and Mission — All persons in this district will travel south on Mission and on El Camino to Fifth avenue, Watkins avenue, or Encinal avenue to the Encinal School at Middlefield and Encinal avenues in Redwood City.

(Broadmoor and Garden Village residents living east of the intersection of 87th street and MacArthur street are advised to use Junipero Serra.)

District 3—All areas west of Junipero Serra—All persons in this district go to Skyline boulevard, south to Ralston road, right on Ralston road to the Canada road, to Greenburg school on Woodside road.

(Broadmoor area residents living west of the intersection of 87th street and MacArthur drive are advised to take 87th street or Westridge avenue to Skyline.)

Reception centers — Encinal School and Greenburg School —will be the "areas of safety" where housing, food, water and other supplies will be made available. Persons in San Francisco at the time are instructed and advised to remain there, and go to one of its reception centers.

In regards to the evacuation of schools, the plan states that if children are not picked up by parents, the schools will evacuate them in transportation provided for that purpose. Prescribed evacuation routes will be followed to the Reception Area corresponding to the evacuation district in which the school is located. If there is no time for evacuation, children will be taken to the best existing shelter within their

(Continued On Page 2)

Pacifica Planners OK Fairmont Community With New Ordinance

Pacifica's Planning Commission approved the General Plan for the Doelger Corporation's 1600-home Fairmont Planned Community Development in Pacifica last night.

City Manager Karl Baldwin affirms, "This is the first time our Planned Community Zoning Ordinance has been used, and it looks like it is accomplishing its objective."

Fairmont Planned Community is the largest single development ever built in Pacifica, Baldwin reports, and will not be topped in size within the present city limits.

"The Planned Community Zoning Ordinance allows the large corporation builders to far exceed the scope or ability of our city to prepare plans for community size districts. It allows an intensive examination to gain the best use of land," Baldwin states.

Doelger Corporation representative Carl Timmons emphasized the zoning ordinance allows for the reduction of "linear street footage, less waste of individual lot space, and the resulting savings in maintenance on roads and new open areas for parks and recreation or public services.

"It also provides an opportunity for the architect to develop new and advantageous plans for community-wide projects," Timmons finalized.

Lot sizes in the Fairmont community have been reduced accordingly from previous 50-foot minimum frontages to 40 feet, and lot square footages

Merchants To Be Asked To Decorate Store Windows For October Celebration

Daly City and Westlake merchants within the next few days will be asked to get into the spirit of the forthcoming Golden Anniversary Celebration by decorating their store windows in a western or old-fashioned theme, and to wear western "garb," beginning two or three weeks before the October event.

This was the decision reached at Tuesday morning breakfast meeting of the Golden Anniversary Committee, held at Swanson's Bowl.

Frank Pacelli, chairman of the executive committee, and several others from this committee, will appear at a dinner meeting July 18 before the Westlake Merchants Assn. to ask them to consider decorating their respective store fronts.

Along with Pacelli will be

McKeon Withdraws Unit Maps During City Planners Meeting Because Of Furor Over Request

Builder George McKeon withdrew both the tentative and final maps on his St. Francis Heights Unit No. 5 at Tuesday night's meeting of the City Planning Commission, and threatened to squelch the city's annexation of the property now in progress, after the commission asked him to withhold one of the 36 lots for an access street into adjacent property not within the city.

McKeon said the request was one that did not allow for "good planning."

The commission asked McKeon to withhold one lot for a possible street that would enter into the Botti property, which is adjacent to the builder's property and nearby Daniel Webster School.

The commission pointed out to McKeon that the lot was only to be withheld temporarily until the results of a study for a master plan for the general area by the engineering firm of T. V. Tronoff is completed.

(The City Council is considering hiring Tronoff at $1,000 to prepare a master plan for the area, which includes McKeon's property, the proposed Mary's Help Hospital, etc., the general area being that of the Christian dairy farm.)

McKeon said he was not willing to provide access to Botti's land since Botti has blocked annexation of his property into the city on many occasions.

McKeon's latest unit is planned for 36 homes, and is to be located south of San Fernando Way and east of El Dorado.

The commission stated it is doing some long range planning by making such a request, allowing for an access road into the Botti property, if and when it does become a part of the city, and also as a road to lead to other parts of the area now being either built up or planned.

McKeon still didn't go for the idea. He did not want to hold out one lot. He then withdrew his maps.

In other actions the commis-

HE GETS AN INVITE—Mayor Robert B. St. Clair receives a special invitation to the San Mateo County Fair and Floral Fiesta from Fiesta Dream Girl Judy Ulstad. As a preview to Daly City's Golden Anniversary Celebration, October 7-14, the city will maintain a booth in the Industrial Exhibit Building for the nine-day run of the Fair, which begins August 4, and will stage a special community program on August 12.

City Plans Elaborate Exhibit At SM County Fair Next Month Depicting Local History, Growth

Daly City this year holds the distinction of planning the most elaborate program of any city participating in the San Mateo County Fair and Floral Fiesta, according to William M. Wilson, fair manager.

A large pictorial exhibit, depicting the history of Daly City and the dynamic growth and development that have made it one of the outstanding suburban communities in the Bay Area, will be set up in the Industry Building for the full nine-day run of the Fair which begins August 4.

The pictorial exhibit and a special program to be staged on Daly City Day, August 12, will call attention to Daly City's Golden Anniversary which will be celebrated October 7-14.

The Daly City Day program will begin with a caravan, headed by a stagecoach and including a dozen vintage automobiles, which will carry Mayor Robert B. St. Clair and a special delegation from Daly City.

With the arrival of the caravan at the fairgrounds, Frank James, general manager of Frontier Land in Linda Mar, will put on a demonstration of gun handling and gun safety.

His talent as a quick draw artist has won him feature billing at such events as the Calgary Stampede and the Portland Rose Festival.

The day's activities also will include a concert by the Daly City Municipal Band under the direction of George Brenner.

Councilman Frank Pacelli, executive chairman of the Golden Anniversary Celebration, said the city's plans for the Fiesta program have met with enthusiastic response in Daly City.

"We expect to have a large and clamoring delegation on hand to let everyone know what we have planned for our own celebration," he said.

Wilsbn said he was pleased by the interest shown by Daly City in the Fiesta activities.

"This is the kind of enthusiasm that has made the San Mateo County Fair and Floral Fiesta one of the outstanding shows of its kind in California," he said. "Daly City's program this year demonstrates the value of a community promotion project and might well serve as an example of how other cities can use the Fiesta as an opportunity to display their accomplishments."

DC TO GET AWARD AGAIN THIS YEAR; NO FATALITIES

Daly City is scheduled to receive for the second successive year a citation from the American Automobile Assn. under the latter's AAA Pedestrian Program Appraisal for not having a single pedestrian fatality during the year 1960.

A certificate of award will be presented to the City Council at a date in the near future.

The City Council was informed of the pending citation Monday night in a letter received from the California AAA.

Nancy Nepstead Designs Poster To Be Used For Anniversary Promotion

A modernistic water color, designed by a 17-year-old Westmoor High School senior, will be used on billboards throughout the Bay Area to promote Daly City's Golden Anniversary Celebration, October 7-14.

The design by Nancy Nepstead, daughter of Mr. and Mrs. Norman R. Nepstead of 151 Wilshire avenue, was selected from 23 entries by art students from Westmoor and Jefferson High Schools.

It depicts the Golden Anniversary theme, "A century of progress in half the time," and will be placed on the giant billboard in front of the Daly City War Memorial Community Center and on several other billboards throughout the Bay Area on September 1.

The contest for the poster design was sponsored by Foster and Kleiser and was judged by Mayor Robert B. St. Clair, Councilman Edward J. Dennis and William Condiff, general art director for Foster and Kleiser.

Nancy, who began drawing at age 10, was graduated as an art major from Westmoor last month.

Although she plans to continue studying art, she will devote most of her time to her new role as housewife. She was married in Reno Saturday to Cal Furrer, a childhood sweetheart, and will make her home with him in Sacramento.

No Decision Yet On Klein Case Over 'Ivy' Lawn

No ruling has yet been made in the case of a Westlake couple accused by the Westlake Improvement Assn. of violating landscaping restrictions established by that homeowners' group.

Mr. and Mrs. Jack Klein, of 97 Lake Forest, alledgedly ripped out the existing lawn soon after they moved into their Westlake home, and in its place planted ivy grass and certain types of plants. For reasons of "lawn" uninformity, the association objected. The Kleins' claim-

SSF Couple Killed On Jun. Serra Blvd.

A South San Francisco couple were killed on Junipero Serra boulevard recently when their small car was crushed by a large sedan.

Killed were Howard Hughes Ruben, 27, and his wife, Elaine Joyce, 23, both of 450 Alhambra road, South San Francisco.

Driver of the other car was Wayne Wesley Halihan, a 27-year-old San Francisco electrician. He is being treated for serious injuries in St. Mary's Hospital after receiving emergency treatment at Junipero Serra Hospital.

Daly City Patrolman Frank Fulton reported the accident occurred early in the morning recently, when the larger auto crossed over the center line of Junipero Serra boulevard and met the smaller vehicle in a head-on crash.

Terra Nova HS Opening Date Still Not Set

Because of the recent plumbers' strike, opening date for Terra Nova High School was not set by trustees of the Jefferson Union High School District Monday night as originally planned.

Architect Mark Falk informed the board that certain work had not been completed because of the strike, throwing the work schedule behind. He added, however, that plumbers were scheduled to return from the strike to work the following morning (Tuesday).

The board, at this point, delayed setting an opening date until the last meeting in August.

Falk recommended to the board that a temporary road from Rosita road to the school be constructed to serve traffic, until builder Andrew Olmstead builds the permanent road some two years hence. The board took the recommendation under consideration for study.

The board approved its 1961-62 publication budget. This is the same budget as their tentative one, calling for an expenditure of $2,983,191, based on a tax rate of $1.37 per $100 valuation.

The board agreed to absorb from district funds the amount of $1,610 from the base bid of Adam Arras & Son for work to be done in the Jefferson High swimming pool area. Dist. Supt. Edward Morgan informed that the Department of Finance was not willing to grant State aid on this much of Arras' overall bid.

Architect Paul Reiter, with the Mario Ciampi firm, presented the board with the San Mateo avenue plans for the Oceano School site, which the board accepted, and approved Ciampi going to bid.

At the recommendation of Falk & Booth, the board hired Brewer & Associates of San Francisco as soil and compaction engineers.

In other actions, the board:

Appointed Trustee Anna Eason to hand out diplomas to the 31 students who will be graduating from Westmoor High summer session on Thursday, August 10, at 11:30 a.m.

Hired Richard Snell as Terra Nova building and grounds supervisor and Eugene F. Fanucchi as custodian-gardener for Terra Nova.

Moved their next regular meeting date scheduled for Monday, July 21, up to Friday evening, July 21, at 7:30 o'clock.

2 Annexations For Community Get Council OK

Ordinances bringing in two new annexations into the city were adopted Monday night by the City Council.

The first one was the Olcese annexation, which consists of some three acres located south of the city in the St. Francis Heights area.

The second was the Carp annexation consisting of five lots on 3rd avenue between Castle and Market streets. Both annexations are uninhabited. The annexations will not legally become a part of the city for 30 days, allowing for various legal procedures.

The council held over to its next meeting adopting an ordinance annexing Callan property, consisting of 21 acres, and located east of and adjacent to Westmoor High School, because of "certain matters" not yet resolved.

The council set August 28 at 8 p.m. as date and time for a public hearing on a proposed annexation of four lots on the southwest corner of 87th street and Sullivan avenue.

The council turned over a request from Ralph J. McGill of San Francisco, and the Pacific Gas & Electric Co., calling for the city's abandoning and vacating a portion of the northeast corner of Market street near Atlanta street, claiming it is not necessary for public street purposes,

(Continued On Page 2)

Pacifica Planners

(Continued from Page 1)

will be less than the previous minimum of 5000 square feet.

"The new open space resulting probably will come under jurisdiction of the Pacifica Parks, Beach, and Recreation Department, Baldwin said.

The Planning Commission also approved initial site location development for the industrial park near Skyline boulevard adjacent to the Fairmont development.

Commissioners expressed desire to develop the sites to attract industry into Pacifica and solve its major economic problem for a substantial tax base.

Timmons offered an alternate plan to develop a brochure and on-sight advertising rather than invest "a quarter of a million dollars for one specific purpose which at a later date may be used for a different purpose."

Some 22 acres of Fairmont presently is owned by Daly City. The planners hope to make a trade, giving 65 acres to Daly City in exchange for the 22 acres.

"Such an exchange would be worth our while only if we can commence the industrial park site development," Baldwin related to the Commission.

"Otherwise Daly City definitely would be receiving a major advantage in the exchange," the city manager summarized.

The General Plan for the Fairmont subdivision will go before the City Council at the latter's next regular meeting.

A hearing also will be held for amendments to the General Land Use Plan on August 14 at the Pacifica City Hall.

Also discussed was a staff report for school sites. An alternate plan No. 4 proposed by the staff was preferred by the Commission and the matter will be discussed by the Council following Laguna Salada School District reports.

No Decision

(Continued from Page 1)

ed that since they were second buyers they knew nothing of the restrictions. The couple was sued, and attorneys for both parties argued the case some weeks ago before Judge Joseph A. Branson in a Redwood City superior courtroom.

After which, Judge Branson took the case under advisement before passing a ruling on the matter. A decision is expected sometime later this month.

Walking near traffic at night? National Automobile Club advises you to wear or carry something white.

TOP WINNERS in the contest recently sponsored by the Skyline Plaza Shopping Center, were (L. to R.) W. G. Miller, 1272 Southgate ave., who won second prize, which was a portable TV set; Mrs. Nolan Katz, 309 Lakeshire drive., first prize winner, who received the camper-trailer. Beside the two winners are Lynette Fishel (Miss Daly City), who drew the winning tickets; and Al Fambrini, president of the Skyline Plaza Merchants Assn.
Photo by Custom

Merchants

(Continued from Page 1)

Mrs. Lynn Bywater, Pacifica housewife-artist, who recently painted store windows of the Linda Mar Shopping Center during Pacifica's recent Western Days celebration. She will paint store windows in various but washable poster colors.

A few days later, the group will go before a meeting of the Daly City Chamber of Commerce to talk with merchants along Mission street, and also they will approach them individually, to urge them, along with the Westlake merchants to decorate their store fronts and windows.

The idea behind the decorating is quite novel. A sketch for an appropriate front according to the type of store it is, will be presented to the various merchants by Mrs. Bywater at that time. For example: a drug store might have a window painted showing an old-time pharmacy, a service station's window might have a window design showing an old-time livery stable. Scene on a window of a modern day men's store might depict an old-fashioned clothier and habadashery shop, etc.

Merchants will also be asked to wear western outfits shortly before the celebration begins and also during the week's events.

Residents are asked to fly American flags in front of their homes beginning two weeks before the celebration and during the week's celebration.

Reports from the various committee chairmen were also heard at the meeting. Chairman Arthur Bodien said plans were progressing quite well and enthusiasm was running high.

Vacation Driving Brings Unusual Conditions: CHP

You can drive to and from work all year and never meet a number of situations which will crop up during a two-week motoring vacation, California Highway Patrol Commissioner Bradford M. Crittenden reminded motorists this week.

"On a vacation trip you will make many more stops than you are accustomed to, such as at view points, eating places, service stations or lodging facilities. Signal your intention to turn off, and when you park, make sure your vehicle is clear of the roadway.

"Every stop means a start. When you pull back on the road, check to the rear for approaching vehicles. If you are driving through areas previously unfamiliar to you, remember that the roads also will be unfamiliar. Allow for this by easing off on your speed," he said.

"Road signing also assumes more importance for the vacationer. Make it a point to keep track of signs, so you will be in correct position if a turn is required.

"Finally, vacation trips often put your car through extremes of heat. Have your radiator and battery checked frequently, and cruise at reduced speeds during the warm afternoon hours when tires are most likely to overheat," the commissioner said.

Automotive Retail Sales

Twenty-two per cent of all retail sales in the United States are automotive, according to the National Automobile Club.

Champs Dominate Play In SSF Rec Second Half

Optimists, 12 Mile House, and Buri-Buri 8 got off on the right foot in the second half of the South San Francisco merchant-sponsored 13 and Under Eastern Division by taking recently victories.

The Optimists, first half champions, downed the PAL Lieutenants 6-2, with Dale Curry going the distance. Joe Casselli aided Curry with a triple for the only extra base hit of the day.

Tweleve Mile House kept pace with a 13-0 win over St. Veronica. Tom Shreve chucked a neat two hitter, Bob Pallari cracked a double, and John Beck collected three hits in the 12-hit attack.

Buri-Buri L&D scored a 9-7 win over stubborn PAL Captains, when the latter's six-run seventh inning proved to be too little and late. Bob Jordan pulled down Rocky Andreachhi's drive to center field with the game-ending out.

13 & Under Western Division

In the 13 & Under Western Division, Plaza Furniture—first half champs — and the PAL Chiefs and Winston Tigers all emerged victorious in second half openers.

Plaza, behind Allan Paganucci's two hitter, scored a 16-0 win over hapless PAL Inspectors. Ron Bennetti and Joe Smith led the way with triples.

The PAL Chiefs knotched a close 7-6 win over tough Winston Drug, as Mark Howard came on to win in relief. Gary Hellen cracked two doubles and Bobby Nicolopulos another to pace the Chiefs.

Winston's Tigers scored nine runs in the first inning to capture a 15-6 win over Kaw Kiwanis. Dave Hillgrove went the distance for the winners for a two hitter and led the hitters with a triple.

Pony League

Clearlight Trophy continues to head the South San Francisco merchant-sponsored Pony League by virtue of a 22-6 win over PAL No. 1 recently.

The Trophy men were led at the plate by Eddie Van Brunt, who slammed a homer, three doubles, and a single, each with two men on, as they won their ninth straight contest.

Second place Miller Realty kept pace with Clearlight with a 5-4, come-from-behind, win over Winston Shell. Mitch Hunt and Bill Schuler each slammed doubles to aid the winners.

Winston Aces moved into a tie for third by downing PAL No. 2, 6-3.

Randy Willis hit a pair of doubles and Dennis Davis and Allen Schlub hit a double each to pace the Aces.

school.

The plan also states that in the event of natural disaster, children will be held at the school until dismissal time or such time as the schools are advised it is safe to send the children home.

The plan also gives several suggestions to citizens for being prepared for a crisis, but it also emphatically states that evacuation is not required, and that persons may remain in the area if so desired within a home shelter.

Instruction as to how to report casualties, inspection of home following a possible earthquake, explanation of what radioactivity is and what it does, and many other items are also included.

The plan establishes Frank as the director of civil defense, and the mayor and councilmen as the Disaster Council.

YOUR CAR COMES FROM ALL OVER

The elements that went into the making of that car of yours came from all points of the compass, from all corners of the globe.

To get that car together and running, points out the National Automobile Club, it probably took bauxite from Dutch Guiana or Indonesia, tin from Malaya or Bolivia, diamonds from Brazil, manganese from French Morocco, tungsten from Spain, lead from Yugoslavia, chromite from Turkey or the Philippines, and mica from India or Madagascar.

2 Annexations

(Continued from Page 1)

over to the city attorney's office for presentation of a resolution to that effect. McGill holds property adjacent and contiguous to the area under consideration.

The council also received a letter from the Jefferson Union High School District, expressing appreciation for services and considerations extended by the various city departments and officials during the 1960-61 school year. A similar letter to the district was ordered.

It denied a $27 property damage claim by Mrs. Leah J. White, and referred the claim to the city attorney for proper action.

Approved a use permit for Cascade Products, of San Francisco, to erect a sign at 7201 Mission street.

A New Season . . . A New Dessert

Welcome summer with a festive dessert made from the new orange-pineapple flavor gelatin. This combination of fruit flavors is delicious served plain, and makes interesting salads, as well as a wide variety of more elaborate desserts. Used here in Pineapple Dapple, it is the base for a rich and tasty filling, as well as the thickener for the "dapple" of pineapple. You will find this is a refreshing dessert that can be made in the cool of the morning to serve in the afternoon or evening of a warm summer day.

Pineapple Dapple

- 1 cup fine graham cracker crumbs
- 2 tablespoons sugar
- ¼ cup butter, melted
- 1 can (8-½ ounces) crushed pineapple
- 1 regular size package (3 ounces) orange-pineapple flavor gelatin
- 1¼ cups boiling water
- 1 package (3 ounces) cream cheese, softened
- ¼ teaspoon orange rind
- 3 tablespoons sugar
- ½ teaspoon vanilla
- 1 cup sour cream

Combine crumbs and 2 tablespoons sugar. Add butter and mix well. Press firmly into the bottom of an 8-inch square pan. Chill.

Drain pineapple, reserving juice. Dissolve gelatin in boiling water. Add pineapple juice. Cool. Meanwhile, combine cream cheese, orange rind, 3 tablespoons sugar and vanilla.

Combine ½ cup cooled gelatin and the pineapple. Set aside. Gradually add remaining gelatin to cream cheese mixture, blending until smooth. Fold into sour cream. Pour onto graham cracker crust. Chill until firm. Then carefully spoon on the pineapple mixture. Chill. Makes about 9 servings.

Pacifica Boards Discuss School Location Factors

Factors of site locations for proposed schools was the topic of a joint meeting of Pacifica's City Council, Planning Commission, and the Laguna Salada Elementary School District recently.

With the expected future growth of the City of Pacifica, and the expected need for additional schools, the three concerned bodies reviewed the considerations and problems involved in school site determination.

City Manager Karl Baldwin affirmed, "No specific sites were discussed or proposed. We merely went over these factors to better understand the expected situation and minimize future problems."

Basic considerations were effects of the present five-year state study for school site locations, relation of site to the population area served, building cost factors within these areas, necessity of crossing major thoroughfares, transportation, compatibility with civic areas, and the considerable dependence on state aid and state regulations.

Salada Elementary School District Superintendent Fred Lucas further explored the state aid and requirement considerations following the meeting.

"We must understand," Lucas began, "that the local school board is an arm of the state, and that site selection factors and standards are part of the state administrative code.

"Accessibility of sites, topography and soil, and costs all are part of state responsibility and subject to state regulation."

On state aid, Superintendent Lucas emphasized, "because we have the lowest tax base in San Mateo County and are an 'improverished district,' 90 per cent of the funds for school buildings and site purchases comes from the state.

"In Pacifica we have a present school value of $6 million, and although we have a full assessed valuation of five per cent and have sold all our school bonds, we have contributed only $660,000.

"Thus it is true," Lucas concluded, "that while we must follow state standards more closely than say San Francisco, we also receive considerable aid. Actually both the state aid and state standards are advantages for us."

Superintendent Lucas also outlined some schools to be built soon.

Cabrillo and Ortega School applications are in Sacramento for aroval, and a new school on Skyline boulevard will be needed to serve the Oddstad and Leibman construction projects in the San Bruno city limits.

"The proposed Doelger development in northern Pacifica we believe will need three schools, although the subdivision people want only two, one of which would overlap out of the division," Lucas reported.

In the event of disagreements between subdivision builders and school boards, the latter has the power to condemn, although it is a lengthy procedure involving state approval, city planning commission consideration, and a possible court action, the Salada Superintendent related.

Changes In Social Security For Retirement Benefits Told

By Mercia Leton Kahn

Manager of the San Francisco (Mission) Social Security District Office.

In my first article on the new amendments to the social security law, I described the provision which gives men the option to retire between 62 and 65 with reduced benefits.

In today's article, I want to cover another important change in the law—the one which reduces the length of time a person needs to have worked under social security to get retirement benefits for himself or to qualify his family for survivors benefits in case of his death.

Some 160,000 older people will become eligible for cash benefits because of this change in the law — older men and women workers, their wives or dependent husbands and the widows, dependent widowers and aged dependent parents of workers who have died. First payments to newly eligible persons can be made for the month of August.

Under the new law, a man reaching 65, or a woman reaching 62, this year will need social security credit for only 2-½ years of work under social security, instead of the present requirement of 3-¼ years. A man who reached 65, or a woman who reached 62, before 1958 needs only a year and a half of work under social security to be eligible for social security retirement benefits.

The survivors of workers who died before 1958 may also become eligible for benefits under this change in the law if the worker before his death has earned social security credit for at least a year and a half.

I should point out that credits for work under social security is counted in three-month "calendar quarters." Therefore, a person need not have worked for a continuous period of 2-½ or 1-½ years, as the case may be. Social Security credit for calendar quarters earned at any time since 1936 can be counted toward the amount of work he needs to get retirement benefits for himself or to qualify his family for dependents or survivors benefits.

If you believe that you or someone in your family may now be eligible for benefits because of this change in the law, get in touch with your social security office promptly.

You may have inquired soon after the law was changed by Congress in September, 1960. But do so again; this is a new change that makes it possible for people to get benefits with even less credit for work covered by social security. As before, however, no one can become entitled to benefits with a total of less than a year and a half of work in employment or self-employment covered by social security.

The social security office in San Francisco at 761 South Van Ness Avenue serves Daly City, Colma, and Pacifica.

NEW TEEN-AGE CLUB SEEKS ADULT MEMBERS

A new Teen-Age Club has sprung up in Daly City to "stop loitering around Westlake, and halt juvenile delinquency," according to acting secretary Sandra Thill.

In their recent inaugural meeting at the Westlake Clubhouse, Temple Judea, the 33 attending members elected Terry Norman president of the teen-age group.

An adjacent adult group is led by Terry's father, with Richard Fishel, vice-president.

Miss Thill said activities of the club will include dances, recreation, outings and work at merchants' stores when the group needs supplies such as paints and athletic equipment.

The group is on a drive to gain both adult and teenage members. Parents' role is to assist the youngsters, ages 13 through 21, in various planned activities. The parents have their own governing body.

Persons interested in joining the organization may call Mrs. Irma Fishel at PLaza 6-0783.

VA Hospitals Offer Youths Summer Jobs

In line with an accelerated national program to develop scientific talent, the Veterans Administration is encouraging young people in their junior and senior years in high school to enroll as summer volunteers in VA hospitals.

One of the important pilot programs aimed toward encouraging outstanding science students in American schools to actively participate in laboratory and research work is being conducted by Dr. Joseph Goodman, Biochemist of the Long Beach VA Hospital in California.

He feels that many gifted young pepole would welcome the opportunity to work in an active scientific laboratory, under the tutelage of professional researchers.

It is pointed out that only a select few, the highest honor science students, after rigid screening, are selected to do actual project work in the laboratories. However, the opportunities for the many other students who have abilities and are interested in laboratory or hospital-associated vocations are excellent.

According to Dr. Goodman and other noted researchers and educators, the program has proved remarkably effective, and it is agreed that students who participate in the rogram have all achieved striking intellectual growth, inspiration and direction.

Thousands of high school and college students have found exceptional educational benefits in volunteering for summer work in Veterans Administration hospitals across the country; they find, too, a personel fulfillment in serving those men and women who gave so much to our nation in its hour of need.

DC's ROBERT WOOD GETS SCHOLARSHIP TO SF ART SCHOOL

A $150 Art Scholarship to the San Francisco Academy of Art has been awarded to Robert E. Wood, son of Mrs. Winifred Athias, 312 Park Plaza drive, announced Richard Stephens, Jr., director of the art school, this week.

Robert, who will be a sophomore at San Francisco City College this fall, was selected

Robert E. Wood

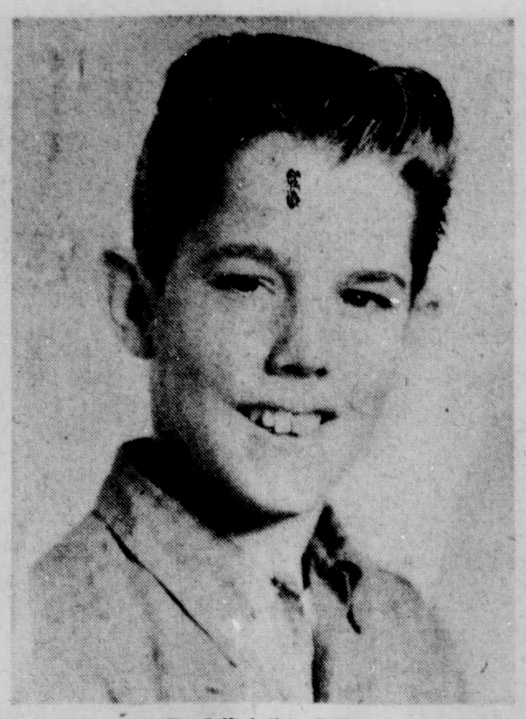
from hundreds of applicants from throughout the entire State.

Robert was awarded his Scholarship on the basis of exceptional promise as a creative artist by a panel of professional Bay Area artists.

Planning to pursue a career of illustration, Robert is attending the 31st Annual Summer School session of the Academy of Art, now being held.

STUDY AVAILABLE BLIND AIDS

Under the guidance of the American Foundation for the Blind, a two-year international survey has been initiated first to collect, then to distribute information on technological aids and devices presently available to blind persons.



Randall Arthur Cobb, Still Missing

NATION-WIDE SEARCH FOR MISSING YOUTH

A Daly City 14-year-old boy, Randall Arthur Cobb, still is missing following a three-month nation-wide search.

Lieutenant David Hansen, Daly City Inspectors Bureau, reports, "We are now contacting every state police bureau in the nation, and sending circulars to local police agencies where we suspect he may have visited.

"He is a typical runaway, however most runaways return home in a couple days or a week. All attempts to locate him thus far have proved negative," Lt. Hansen said.

The Daly City Police Inspector concluded the youngster "a very bright boy," and said, "We don't worry much about his ability to take care of himself, but it isn't good for a 14-year-old to be running around loose."

Randall's parents, Mr. and Mrs. Arthur Cobb, received a letter written by the boy with a Wichita, Kansan, postmark.

"All leads in Kansan checked out negative," Lt. Hansen reported.

Randy is 5 feet 3 inches tall, 110 pounds, blond hair, and green eyes. He wears braces. He had small fractures on his right hand when he disappeared and was wearing a two-piece cast which by now probably has been discarded.

Randy reportedly likes autos and racing, and may have gone to Indianapolis, Indiana, for the Memorial Day race. He also has worked in bowling allies and on golf links.

Notification of his whereabouts should be made first to the Police Department, PL 5-4212, and to his parents at PL 6-6922.

TOTAL JOBS, JOBLESS RISE IN BAY AREA

Despite a June increase of almost 10,000 civilian jobs in the San Francisco-Oakland Metropolitan Area, the number of jobless rose by 6,000, two State officials reported today.

Civilian employment: The May-June employment gain was a result of seasonal expansion in agriculture, construction, trade, food processing, and other industries according to John F. Henning, Director of the Department of Industrial Relations.

The June employment total of 1,154,000 was just under the all-time high registered last September, and was 14,400 higher than in June 1960. Largest gains from a year ago were in services and government. Manufacturing employment, on the other hand, was lower than in the same month last year.

Unempioyment: The expected summer influx into the labor force of new graduates, students, housewives, and other temporary workers brought a sharp increase in Bay Area unemployment, Irving H. Perluss, Director of the Department of Employment, reported today.

According to Perluss, the number of jobless seeking work rose to 78,200, or 6.3 percent of the labor force in June from 72,200, or 5.9 percent in May. The current June unemployment total was 21 percent higher than a year ago when unemployment was 64,400, or 5.3 percent of the labor force.

Registration Now In Baby, Mother Class

Registration is now being taken for a mother and baby care class to begin August 15 at the San Mateo Red Cross regional headquarters, 1449 Bellevue Avenue, Burlingame.

Lee Brown, R. N., will instruct the classes on Tuesday and Thursday evenings from 7:30 to 9:30 p.m. for three weeks.

During the six lessons instruction will be given in prenatal care of the mother; preparation for the baby such as layette and furnishings; birth process and emergency care, and post-natal care of the newborn through the first year.

The final class session is one of general discussion and questions, including demonstrations of mouth-to-mouth resuscitation, use of plastic film, toilet training, nutrition and establishment of good eating habits, immunizations, and distribution of an "anti-worry chart" to the expectant parents.

Both parents are urged to take the classes together, Mrs. Brown explained. Registration may be completed by calling the regional headquarters, DI 3-4561. There is no charge for the course.

CUTE COOKS—Katie Herold (left), daughter of Dr. and Mrs. Earl S. Herold, 98 Northgate, Daly City, and camping friend Sandra Smith, daughter of Mr. and Mrs. Harry Smith, South San Francisco, are shown preparing a cookout at the Peninsula Council of Camp Fire Girls' Day Camp held at Huddart Park in Woodside. The two sessions recently completed totaled 1,000 persons participating at the camp.

120 Will Die Every Week In Water Mishaps

A weekly average of more than 120 Americans will lose their lives in the water this year, George Neel, water safety chairman for the San Mateo region, Golden Gate Chapter of the American Red Cross, predicted this week.

A great majority of the 6,400 to 6,500 annual drownings, he said, occur among persons using the water for recreation.

"Most of these could have been prevented if the victims of swimming and boating accidents and their companions had known better what to do," he declared.

Mr. Neal urged residents of the Peninsula to enroll in Red Cross and recreation department courses in swimming, lifesaving, boating and sailing which are being given during the summer at local high schools and at Parkside Aquatic park.

He also listed these precautions to be used by swimmers and users of small boats:

1. Learn to swim. If you can swim a little, learn to swim better.

2. Always swim with another person. Make sure someone capable is near to help you if you get into trouble. Never swim beyond your depth and where there are submerged rocks if you are diving.

3. Wait at least an hour after eating. Don't plunge into cold water when overheated. Cool off gradually by splashing water over your body. Don't swim when overtired. You may be overcome by fatigue in deep water.

4. Stay calm as possible in the event of trouble. If you become tired assume a face-up, floating position, keep your hands under water to maintain your balance.

VA Hospitals Openings For College Grads

The Veterans Administration today urged college and university graduates of the 1961 class in ten hard-to-get professions to consider employment with the agency's Department of Medicine and Surgery.

Many of VA's 170 hospitals and 91 out-patient clinics have vacancies in one or more of these categories.

In many cases, the VA offers personnel who join the staff a wide choice of location.

Among those especially needed by VA are graduates in the field of psychology, nursing, dietetics, clinical social work, occupational therapy, physical therapy, corrective theray, library, recreation, and medical technology.

Interested graduates may visit or write the Personnel Officer of any VA hosital or clinic, or the Department of Medicine and Surgery, VA Center Office, Washington 25, D. C.

Except for nurses, specific qualification requirements are outlined in Civil Service examination announcements which may be obtained from the nearest VA Regional Office or Hospital, from the U. S. Civil Service Commission Regional Office, or from the U.S. Post Office.

Information for nurses may be obtained at any VA hospital, or VA Department of Medicine and Surgery, Central Office, Washington 25, D. C.

Sup. Davis, Pallari Get SSF Honors

Superintendent Charles Davis has a new four-year contract at an annual salary of $19,000, and William Pallari is newly-elected chairman in a recent reorganization meeting of the South San Francisco school board.

Pallari explained Davis' new contract as "the first step in the board's attempt to relieve the long standing superintendent-board dissension."

Pallari, only veteran on the board from last term, is its new chairman, while Mrs. Joseph Cooper is new board clerk and board member Leo Eserini is elected new vice chairman. Roger Hanson will serve as trustee representative at the county school board meetings.

Asst. superintendent Joseph Smith also is given a new two-year contract at $15,500 annual salary, and William Lovette is again director of student personnel.

BLIND CITY COUNCILLOR

Thomas Hasbrook, Chief of Employee Communications of Eli Lilly and Company, one of the world's largest pharmaceutical firms, is a blind veteran, who has been a state senator, state assemblyman, and is now a city councillor in Indianapolis, according to the American Foundation for the Blind.

SKYLINE BLVD.-SERRA LINK UNDER STUDY

Design studies currently are under way for epansion of Skyline boulevard and extension of Junipero Serra (19th avenue) Freeway to connect with the San Jose-Santa Cruz Highway.

According to District IV and the Office Journal of the California Highways and Public Works Division of Highways, 14 projects are planned to complete 47 miles of freeway.

The Office Journal reports:

"Eight lanes will be constructed between Alemany boulevard in San Francisco and Eastmoor avenue in Daly City. From Eastmoor avenue to Woodside road near Atherton, eight lanes will be built. Six lanes will be constructed initially on the remaining portion between Woodside Road and Sign Route 17 (San Jose-Santa Cruz Highway)."

Skyline boulevard will be expanded to a four-lane and eventually a six-lane freeway from Cabrillo Highway in Daly City to Crystall Springs Road in San Bruno. From Crystall Springs road, Skyline will be developed as part of the Junipero Serra Freeway to Ralston avenue.

Cost of the single link between Crystall Springs road and Cabrillo is $5 million, while the total Junipero Serra Freeway will cost approximately $100 million.

Highway Division District IV (Bay Area) estimates initial construction may begin sometime in the calendar year of 1962-63.

The development is part of the National Interstate System of Interstate and Defense Highways to be terminated in 1972.

District IV representatives affirm development of the freeway may take several years, with perhapes little sequence in the 14 projects.

One link in the total plan is a connecting offshoot from the Junipero Serra Freeway to the San Mateo-Hayward Bay Bridge.

At the Serra-Highway 17 juntion—San Jose-Santa Cruz Highway just east of Los Gatos—a connecting link will be built bypassing San Jose on the south west and linking with the Gilroy-Salinas U.S. Highway 101.

PACIFICA CASTLE, a natural historic monument built in 1908, became the center of controversy recently when its present owner Sam Mazza petitioned the Pacifica Planning Commission for permit to use the old structure as a tourist attraction. Central in the problem is the 23-degree grade dirt and rock road leading to the shoulder of the hill servicing the castle. On right note a local youth attempting to scale the steep grade. The Director of Public Works reported to the Commission that possible improvement is not recommended because it would overload the narrow residential streets, and 65 residents have signed a counter petition against use of the castle as a tourist attraction. An alternate staircase is being considered by owner Mazza.

It's News To Vets

Q — About how many women U.S. veterans of World War II are there, as compared to U.S. male veterans of this war?

A — About 319,000 women as compared to nearly 15 million men.

Q — What does the VA mean by a "presumtive period" in connection with diseases?

A — Generally, a wartime or Korean-conflict veteran who develops a chronic disease to a degree of 10 percent or more disability within one year of release or separation from service may be presumed to be service-connected for VA disability compensation. In the case of active tuberculosis, multiple sclerosis, or leprosy, the law provides a three-year presumptive period.

Q — I'm an honorably discharged World War II veteran and need help in finding a job. Does my war service entitle me

A — Yes. See your local State to any preference on this? Employment Office. You also are entitled to preference for U.S. Civil Service employment.

Q — My son has been in a nursing home for incurables since childhood. He will be 18 soon. Will his pension be stopped then?

A — No. Since he is unable to become self-supporting his pension will be continued.

California Fair To Offer Much For Everyone

There's something for everyone at California's gay 1961 State Fair.

Featuring 12 full days of rodeos, a vast livestock show, flowers, music and pretty girls, plus the finest of agricultural and industrial produce in the west, the Fair opens in Sacramento on August 30.

"This year's Fair through September 10 mirrors every phase of the best of California life and culture," said Farrel F. Wrenn of Auburn, president of the State Fair board of directors. "And topnotch entertainment is assured for every fairgoer, no matter what his age and taste may be."

California's loveliest young ladies will vie in the now famous "Maid of California" contest, the winner to reign over the 12 days' festivities, including rip-roaring rodeos, horse races, a vast livestock show, flower exhibits, musical presentations and certainly the greatest array of agricultural and industrial exhibits in the history of the Fair.

Something entirely new in rodeo competition will be offered: the National Collegiate Rodeo Finals. Contestants from 40 colleges and universities will compete the first six days of the Fair. During the final six days, a professional rodeo will be staged under the auspices of the Rodeo Cowboys Association.

Another "first" for the Fair will be the presentation of two complete and separate livestock shows. First six days of the exposition will feature a Junior Division Future Farmer and 4-H Club livestock show, while the final week will be given over to Open Division livestock competition.

Buildings housing the art shows, home economics displays, industrial exhibits, a special commercial poultry show, flowers and countless other products of California farms and factories will be overflowing with sights to delight fairgoers of all ages.

Children 16 and under will be admitted free to the grounds, and they and grownups are sure to enjoy what promises to be the finest fair in California State Fair history.

W'lake Music Center Recital Next Week

Students of the Westlake Music Center will stage a Music Center Recital net Monday, Tuesday, and Wednesday evenings at 7 o'clock in the Westlake Elementary School Auditorium on Fieldcrest avenue.

More than 90 students will participate in the recital, according to owner Robert Morford.

The recital will feature a different program each evening with an accordian band, student band, trios and duets. Admission is free.

Ben Franklin Teachers On Trip To Panama City

Four Benjamin Franklin School instructors currently are on a Pan-American Study Group expedition to Panama City.

In a special letter to the Daly City Record, Paris Simmons reports the group has reached Guadalajara via scopter.

He writes that the group meets thousands of Mexicans in connection with cultural and educational objectives, and that a letter has been given them for delivery to Governor Brown. Simmons also reports the group will be meeting with Mexican President Mateos soon.

"In Arizona, they (the group) were on television, radio and in the news. They were interviewed by the Mexican-English newspaper, 'The News.' . . .

"They have slept out in the desert, under thatched roof in the tropic areas, and in the front yard of a motel," continues Simmons.

"So far they have not found any hostility, although many Mexicans are frightened in view of the segregation situation in America," Simmons affirmed.

The letter also listed as a fallacy the image of the sleepy, non-industrious Mexican. "Mexicans are a hard-working and proud people. Mexico is moving ahead."

Reportedly more than 300 slides have been taken, 600 feet of motion picture film, and six hours of tape recordings, which will be the basis for study units at Benjamin Franklin School.

The group is composed of Carl Hunter, Simmons, Robert Dougherty and Victor Santa Maria, and will visit Mexico City for a week before leaving for Guatamala.

B'moor Presbyterians Attend Summer Camp

Youth and adults of the Broadmoor Presbyterian Church are attending summer camps at several Presbyterian Conference Grounds this year, according to Mrs. Frank Dethlefsen, camp registrar.

Broadmoor youth attending summer camps:

Valley of the Moon near Sonoma — Paul Baumgartner, Billy Eagleton, Karen Guymon, Barbara Suenderman, Ginny Jones, Debra Leech, Claudia Guz, Phyllis Peffault, Nancy Dethlefsen and Pamela Eagleton.

Westminster Woods near Russian River — Janet Cuniberti, Patrick Burke, Melinda Hart, Elaine Chiosso and Cathy Meade.

Zephyr Point, Lake Tahoe— Vicky Guz and Lynn Jones.

Adults atending camp as leaders at Zephyr Point are Mrs. Shirley Pappas and Mrs. Pauline Scaduto, nursery; Mrs. Bunny Gillespie and Mrs. Norma Buell, primary children, and Ken Gillesie, social and recreational adult activities.

Mrs. Irene Davison and Claudia Davison are leaders at the Junior Camp at Westminster Woods in August.

State VFW Aux. Convention Sat.

Mrs. Francis Linde, president of the Department of California Ladies Auxiliary to the Veterans of Foreign Wars, will terminate her administration at the 41st Department Convention in Sacramento this Saturday.

The El Dorado Hotel will be visited by the members of the Convention from 461 auxiliaries in 22 districts in the state.

Registration will commence in the lobby of the hotel Saturday and close next Wednesday. Members must register to vote.

Department Officer's reception is Sunday at 5 p.m., followed by a joint Memorial Service at 8 p.m., both open to the public.

Following week activities include business meetings, breakfasts, dinners, receptions, a banquet and a ball, all events terminating on Thursday.

Military Order of the Cooties, the honor degree of the Veterans' of Foreign Wars, and Cootiette Clubs, will convene in Sacramento this Friday and Saturday.

They are active in hospital work, both community, VA, and military, in California.

SSF Health Center Slates Polio Clinics

The South San Francisco Health Center at 1024 Mission road, will hold polio clinics on Monday, July 17, and Monday, August 21 from 1:30 p.m. to 4:30 p.m.

There will be no charge for the service.

ON THEIR WAY to a reception following their recent wedding is Mr. and Mrs. Lloyd James Wilborn (she's the former Sharon Fern Warnock of Pacifica), following their recent marriage in the Church of the Nazarene in San Bruno. The couple went to Sequoia National Park for a two-week honeymoon.

—Photo by Mann.

Sharon Warnock Marries In Church of Nazerene

Church of the Nazarene in San Bruno was the recent scene of the exchanging of marriage vows between Sharon Fern Warnock and Lloyd (Jim) James Wilborn, both of Pacifica. The double ring ceremony was performed by the Rev. William Anderson.

The church was decorated with two baskets of white gladiolus, white carnations and white mums.

The bride, daughter of Mr. and Mrs. Floyd G. Warnock of Pacifica, wore a white taffeta ballerina length wedding dress with a princess-styled waist, bouffant skirt with applique flowers outlining the scooped neckline. Her veil was shoulder length with a crown headpiece. She carried a spray of white roses on a white Bible.

Maid of honor was Nancy Lee Valentine. Miss Valentine wore a silk aqua dress of street length with a scoop neckline with a bow at the side, and a small headband with net matching dress.

She carried a bouquet of white carnations and nosegay, looped with aqua ribbon.

The bride is a former Daly City resident and attended Thorton School and Jefferson Elementary School, before she and her family moved to Washington. They later returned to the area, and she attended Colma School and Jefferson Union High School before moving to Pacifica to finish high school at Westmoor.

She also attended College of San Mateo, and is employed at the Travelers Insurance Co. in San Francisco.

The bridegroom is the son of Mr. and Mrs. William Earl Wilborn. He attended Monterey High School in Monterey, and is presently employed at the Rollingwood Texaco Service Station.

Best man was William Robert Wilborn, brother of the bridegroom. Ushers were Calvin Wilborn, also a brother of the groom, and Terry Warnock, brother of the bride.

Following the wedding, a reception was held at the home of the bride's parents, where nearly 50 persons attended to see the couple cut their wedding cake, a three-layer chocolate cake with white frosting decorated with pink roses matching the pink decoration at the top of the cake.

The couple then departed for their two-week honeymoon in Sequoia National Park. They plan to live in Pacifica upon their return.

Pioneer Women's Area Director To Be Speaker

Mrs. Ruth Kunzer, West Coast area director of Pioneer Women, will be the guest speaker at the first meeting of the newly formed group of young Pioneer Women, on Wednesday, July 19, at 8:15 p.m. at the home of Mrs. Sarah Stark, 59 Maywood Avenue, Daly City. Questions, discussion and refreshments will follow her talk.

Mrs. Kunzer is widely known in this country. Her appearances on lecture platforms, radio and television have taken her throughout the United States. She served for three years on the faculty of New York University as co-director of its workshop on "Israel's Life and Culture." She also served as Director of Public Affairs of the Israel Consulate General in ew York.

Mrs. Kunzer is married to Edward J. Kunzer, who is a member of the faculty of Los Angeles Valley Colloge. They live in Los Angeles from where Mrs. Kunzer directs her activities for Pioneer Women on the West Coast.

Pioneer Women is a national organization with a membership of over 50,000. There are six groups in the Bay Area. The organization is concerned with the development of Israel as an oasis of democracy in the Middle East. It educates its members to have social consciousness as American citizens, as Jews and as citizens of a democratic world. It participates in fund-raising to promote the rehabilitation of the ever increasing new settlers in Israel.

All interested parties are invited. For reservation or information call Mrs. Stark, PL 6-7065 or Mrs. Del Monte, WY 2-4582, evenings.

EARNINGS FOR FACTORY WORKERS RISE DURING MAY

Average earnings of production workers in California factories were higher in May than ever before, John F. Henning, California Director of Industrial Relations, reported this week.

Weekly earnings averaged $107.59 in May, topping the May 1960 figure by $3.97 per week, or 3.8 percent.

Among the individual industries, weekly earnings were at record levels in food processing, printing and publishing, stone-clay-glass, primary and fabricated metals, and electrical equipment.

Weekly earnings were above a year ago in all industry groups except leather and auto assembly. Year-to-year gains of 5 percent or beter were recorded in petroleum, furniture, primary metals, food processing, electrical equipment, and fabricated metals.

Average hourly earnings for manufacturing workers as a whole edged up to a new high of $2.71 in May from the previous record of $2.69 registered in February, March, and April. Compared with a year ago, production workers averaged 10 cents more per hour this May.

For Better Vacations, Here's How To Take Better Photographs

Vacation time is usually a time when you get out that camera, dust it off, and start shooting pictures all around. To help you shoot some pictures of which you might be proud, National Automobile Club has a few suggestions to make.

Know your camera. Look it over carefully and understand completely what the instruction book is talking about. And know the film you put into it. Tell the man in the photography store the kind of pictures you hope to take and he will be able to tell you the best type of film to use.

When you are out "on location" ready to shoot, don't just "shoot from the hip" but stop for a moment to plan your picture. Walk around your subject. Consider it from several angles. Try to pick the angle from which it looks best, from which all the elements are properly arranged and the picture seems to have a clear center of interest.

Watch the lighting. A cross light or rear light that brings out interesting contrast of highlights and shadows is usually better than a flat, overall brilliance.

If you are taking pictures of people, try to get them to look relaxed and natural. It is usually better to have them doing something interesting than to have them just gawking into the lens.

Before you snap the picture, make sure that the camera is perfectly set. Having decided on the amount of exposure you will need, try to get it with the longest possible exposure time and the smallest possible opening. Fast speeds and large shutter openings will stop fast action in your subject, but such stopping is rarely necessary and the resulting picture is usually shallow in the range of objects in sharp focus. With the longer exposure and the smaller opening you get greater "depth of field," a greater, deeper range of objects that are in sharp focus. And, along this line, be sure your camera is properly focussed on that main object.

Following these suggestions you should get good pictures. With your growing knowledge and experience your pictures will get steadily better.

Mrs. Kile To Be Given High Honor By Seacliff Circle

The July 17 meeting of the Seacliff Womens Circle E.U.B. will include the San Francisco Circle on the occasion of honoring one of the church's most active members, Mrs. Clifford Kile.

Mrs. Kile, whose husband is taking a pastorate in Bolan, Iowa, will soon be leaving the Westlake area.

The program to be presented will be "Highlights from the New Books," during which time previews will be given of many of the new books for the 1961-1962 reading courses which have proved so popular at the Seacliff Community Church.

Those participating include Mrs. Frank Toft, Mrs. Angelo Infusino, Mrs. Clifford Kile and Mrs. Jack Houghton.

President of the Womens Council, Mrs. Dil Dilbeck urges all members to attend and wishes to extend a cordial invitation to any women in the area who are interested in these courses of Christian reading. The meeting will take place at the home of Mrs. William Oswood—11 Northridge dr. at 8 p.m. with Mrs. Gene Biederman and Mrs. William Oswood serving as hostesses.

JEWISH CENTER ELECTS OFFICERS AT LAST MEETING

The Jewish Community Center of Pacifica held its annual election of officers recently at the home of Mr. and Mrs. Roland Finken.

Joseph Weber was elected president, Roland Finken vice-president, Betty Cain secretary, Gary Alexander treasurer, Fred Schulz membership chairman, and Jacqueline Massing, educational director.

Morton Levinson as past president will continue to serve on the board of directors. The next general meeting will be held on July 28 at the home of Mr. and Mrs. Fred Schulz and will feature a speaker on "Our Biblical Foundations."

Those interested in the group and its Sabbath school (to be resumed in September) may call Mr. Schulz (EL 9-0841) or Mr. Levinson (EL 9-1835).

Plea Of Not Guilty Entered By Amirkhan

Theodore Amirkhan, 22, of San Carlos, who is charged by police of burglarizing Duffy's Tavern at Mission and Knowles streets of $77 on the evening of June 21, appeared before Judge Charles Becker, Tuesday, in South San Francisco Municipal Court and pleaded not guilty to the charge.

He waived time, and Judge Becker set a preliminary hearing for August 10 at 2 p.m. Amirkhan is out on $525 bail.

Ann Thompson Gets Art Scholarship To SF Art School

A $150 art scholarship to the San Francisco Academy of Art has been awarded to Ann L. Thompson, daughter of Mr. and Mrs. Arnie Thompson, 766 avenue, Richard Stephens, Jr., director of the art school, announced this week.

Ann, who will be a Freshman at San Francisco City College in the fall, was selected from hundreds of applicants throughout the entire state.

Ann Thompson

Planning to pursue a career in commercial art and illustration, Ann is attending the 31st Annual Summer School session of the Academy of Art in San Francisco which concludes July 29.

DC Seaman Serving Aboard USS Somers

The destroyer USS Somers is operating as a unit of the Seventh Fleet in the Western Pacific.

Serving aboard the destroyer is Kenneth E. Welch, seaman, USN, son of Mr. and Mrs. Robert C. Welch of 98 Vendome ave., Daly City.

Hilltop Beauty School Adorns Daly City 'Hill'

To say that the "Nob" of Daly City (where Mission street and San Jose avenue merge) has been greatly enhanced in the past few weeks is putting it mildly.

The former bleak, empty front of 6317 Mission street has bloomed into a quiet, spacious, dignified place where people who were formerly beauty operators may brush up on the latest styles and techniques, or where novices with a 10th grade education are eligible to enroll as students.

Lloyd and Emily Chamberlain accidentally spotted the location at a time when it was filled with Christmas trees. But they could see its possibilities. The high gray ceiling muffles noise, and the pastel pink floor, walls and fixtures provide warmth.

Training includes a five-week basic training course in hair styling, manicures, facials, tinting and bleaching and permanent waves. Emily Chamberlain is a native San Franciscan, a graduate of Commerce High School. Lloyd hails from Fallon, Nevada, and is a veteran of both World War II and the Korean conflict.

Both have degrees as advanced master hair stylists and were also instructors at the Dedman and Williams Beauty College in Hollywood, California. Both have diplomas from Clairol Institute of Hair Coloring.

The Chamberlain's use only the best supplies, including Breck, Duart, Clairol, Roux and Revlon. Each student receives a theory book and complete kits of operator's tools.

The Chamberlain's live in Daly City, expect to stay a long time, and Hilltop Beauty School is fully licensed by the State of California.

Graduates of Jefferson, Balboa and Westlake High Schools interested in this field should contact the Hilltop Beauty School, 6317 Mission street, or telephone PLaza 6-9877. Tuition is reasonable, and can be paid on easy terms.

Resident Says Thanks To Helpful Fire Dept.

Mrs. Dina Matteucci, 3343 San Jose avenue, returned to her home Saturday to find several fire trucks and countless firemen around her home busily putting out a blaze in the den and two upper levels in her house.

"The men did a beautiful job," Mrs. Matteucci reports. "They moved all my furniture, removed the clothing . . . and even swept up the debris and mopped up all the water," the thankful housewife said.

DESSERTS OF THE WEEK FROM Betty Crocker

"What's for dessert?" Pick an easy answer from this column, why don't you. And another for tomorrow night. We'll be back next Thursday with more ideas for desserts to make you famous.

Cake-of-the-week:
GEORGIA BUTTER PECAN CAKE

Win compliments tonight with this Southern specialty. Bake Betty Crocker Devils Food Cake Mix in layers. Cool. Toast 1 cup finely chopped pecans in 2 tbsp. melted butter over medium heat about 5 min., stirring often. Remove from heat and stir in 1½ cups Betty Crocker Creamy White Frosting Mix and 2 to 3 tbsp. hot water. Spread immediately over both layers. Mix remainder of frosting with 2 tbsp. butter and 1 to 2 tbsp. hot water. Frost sides of cake.

Family Favorite:
MARBLE NUT GLACE

Surprise! It's a super ice-cream sandwich! Make Betty Crocker Marble Cake Mix batter as directed — **except** spread 1 cup Diamond Walnuts in **bottom** of prepared 13x9½x2" oblong pan. (Follow pkg. directions to marble cake.) Bake, Cut squares, nut side up. Split, fill with ice cream. Top with sauce.

Birthday Fun:
OUTER SPACE CAKE

An easy way to delight future space travelers. Bake Betty Crocker Yellow Cake Mix in layers. Frost with Peanut Butter Frosting: Add ¾ cup peanut butter and ½ cup hot water to 1 pkg. Betty Crocker Creamy White Frosting Mix dry mix); beat. Make satellites to orbit around cake by sticking toothpicks into red and green cherries and placing them on cake.

BETTY CROCKER
makes the difference...
the difference you can taste

HAPPINESS is reflected in the faces of Mr. and Mrs. Edward Williams (Janis Lampkin) following their recent wedding at West Portal Lutheran Church in San Francisco. She is a Daly City girl, and he is a native of Ohio. Following a honeymoon in Carmel, they plan to reside in Ohio.

—Photo by Mann.

Janis Lumpkin-Edw. Williams Exchange Vows Recently

Janis Lumpkin was married to Edward H. Williams in recent ceremonies at the West Portal Lutheran Church in San Francisco.

Officiating at the double ring ceremony was the Rev. Ihno A. Janssen, Jr., pastor of the church.

The bride is the daughter of Mr. and Mrs. J. M. Lumpkin of 8 Avalon drive, Daly City. She is a graduate of Westmoor High School and the University of Cincinatti. She was given in marriage by her father.

The groom is the son of Mr. and Mrs. B. H. Williams, of Ohio, and was with the army at Fort Barry in Sausalito. He was graduated from Middletown (Ohio) High School and is planning to attend the University of Cincinatti.

For the wedding, the bride wore a white mirror-mist taffeta gown, princess line and chapel trim, three-quarter sleeves, with a portrait neckline trimmed with imported French Guipure bow back, pearl crown and full elbow length, with French illusion veiling.

The church was decorated with two large arrangements of mixed flowers.

Maid of honor was Sandra Sue Butsowski, who wore a lavender satin bell dress with chiffon trimming and pink veiling and carried a cascade of pink carnations.

Bridesmaids were Susan Jean Gardner and Carole Landy. Best man was Patrick Burn, and ushers were Arthur Johnson and Joseph Lumpkin, Jr.

Following the wedding, a reception was held at Simpson's with 40 guests attending. There were candelabra and floral decorations on individual tables.

The couple then drove to Carmel for a one-week honeymoon. They plan to reside in Middletown, Ohio.

No Summer Slump Being Allowed By W'lake Baptists

A remarkable thing is happening at Westlake Community Batist Church in Daly City.

Challenged by their pastor, the Reverend Mr. Lynn Hodges, most of the members of this growing church decided that this year no summer slump would be tolerated.

The question was raised: "Why a traditional summer church slump, anyhow?" Many tourists come to this area during the summer. There should be more than enough visitors to make up for absent members vacationing away from the Bay Area.

Business, in many instances, accomplishes more during summer months than any other time of the year. Communism marches relentlessly on. Children and young people have more time to use during summer months than during school terms. Why should the church fold up during such a strategic time?

It has already been proven to the satisfaction of people at Westlake Church that church activities may experience a "hump" instead of a "slump" during the summer.

The following are only part of the accomplishments which have come about already by this church that has decided to be "open for business as usual" all summer long. More than $7500 was raised from church members and friends to build thre more Sunday school rooms and to finish the kitchen of the church. Thirty-seven young people have been registered for a summer camping program in the Santa Cruz mountains. Volunteer work crews are building additional facilities every Wednesday evening and every Saturday. Women's missionary circles are preparing meals for these volunteer workers. The choir continues at full strength. Vacation Bible School gets underway this week. Pastor Hodges is presenting one of his strongest sermon series of the year. Special outdoor activities have been planned for all departments of the church. Ten adults will donate a week of their summer to serve as youth camp counselors.

B'nai Israel Summer Series Starts Here

A new series of summer services is inaugurated at 67 Los Banos avenue in Daly City by the congregation of Bnai Israel.

Summer services will continue through Friday, September 8.

Cantor Ladislau Morgenstern, in the absence of vacationing Rabbi Solomon A. Shore, will conduct the services. He is a well-known European Cantor and an established performer of European opera.

The Sisterhood will hold its regular Oneg Shabbat following each service.

Local Woman Pleads Not Guilty To Assault

Colleen Magorty, 252 Santa Barbara avenue, accused of assault with a deadly weapon against her roommate, was certified over to Superior Court Tuesday by Judge Charles Becker of South San Francisco Municipal Court for trial, after she entered a plea of not guilty.

Miss Magorty, 26, waived preliminary hearing. She is accused by local police of attacking her roommate, Beatrice Jones, 36, with an eight-inch knife following an argument during the pre-dawn hours of June 29.

'Christ, My Life' Is To Be Theme For Bible School

"Christ and My Life" will be the theme for Vacation Bible School to begin this Sunday at Westlake Community Baptist Church, Sotuhgate & Elmwood, in Daly City.

There will be six sessions, 9 to 11:30 each morning, July 16 through 21. On Sunday the schedule will be a half hour later. A commencement will be held for all who receive certificates of graduation on Friday, 7:30, July 21. To be eligible for a certificate, children must attend five out of six sessions.

Age wise there will be four departments: Kindergarten — 4 years through those finishing Kindergarten this year. Primary — 1st and 2nd graders finishing this year. Midler — 3rd and 4th graders finishing this year. Junior — 5th and 6th graders finishing this year. The school is open to those who are not members of the church if parents agree to see that their children attend faithfully.

Cost will be $1 per child or, where more than one child comes from a family, $2 per family. Punch and cookies will be served daily at recess. At Friday evening Commencement, all departments will display their work and refreshments will be served parents and children.

The curriculum of the school is designed to reveal the Christian way of life to children at their own age levels. It is published by Judson Press, one of America's leading and most advanced religious publication societies. Parents of children enrolled are welcome to visit.

To enroll a child, either phone Mrs. Spitzer (PL 5-8095) or bring your child at 9:00 a.m. this Sunday morning to the rear entrance of the Westlake Community Baptist Church, Southgate and Elmwood.

Bethel 198 Mothers Schedule Sept. 5 Meet

Mothers' Club of Bethel 198 will hold its next meeting September 5 at 8 p.m. in the home of Mrs. Dorothy Knox, 832 Lousanne avenue, Daly City.

Co-hostess of the meeting will be Mrs. Jacqueline Castle.

Mrs. Edward J. Dennis, president, asks those wishing to attend, and mothers of Job's daughters, to phone PL 5-0522, and also thanks those who attended the Turko-Persian Rug Cleaning demonstration for their presence.

BLIND FARMER

That blindness need not deter a man from independence is typified by Jack Caldwell of Burlington, Kentucky, who operates a successful dairy farm. Farming, the American Foundation for the Blind reports, is only one of thousands of occupations in which blind people engage.

JUDEA ANNOUNCES HOLIDAY SERVICES, SUMMER EVENTS

Congregation Judea announces that reservations for High Holyday Services, to be held at the First Unitarian Church, Geary and Franklin streets, San Francisco, may be made by contacting the Temple Office, PLaza 5-6362, 95 South Mayfair, Westlake, Daly City.

Rabbi Robert W. Shapiro and Cantor Harold Wachter will officiate, assisted by Dr. W. Leonard Beck, organist, and an 11-voice choir.

Membership in Congregation Judea, the youngest Reform Congregation in the San Francisco Bay Area, includes High Holyday Services as well as Religious School enrollment on Sunday mornings, children of pre-kindergarten age, three years and nine months through grade 12, weekday Hebrew Classes and many other privileges. For further information, please contact the Temple Office.

Congregation Judea extends an invitation to friends of the community to attend late Sabbath Eve Services, 8:30 p.m. on Friday evenings throughout the summer, at the Westlake Temple House, 95 South Mayfair avenue.

Guest speaker for this Friday evening, July 14, will be Mr. Fred Gruen, first vice-president of the Congregation, who will occupy the pulpit in the absence of Rabbi Robert W. Shapiro, vacationing during the month of July. Cantor Harold Wachter will officiate.

The traditional Oneg Shabbat and reception will take place following the service.

W'lake Baptists Begin Vacation Bible School

Westlake Community Baptist Church Daily Vacation Bible School begins this Sunday at 9:30 a.m. during Sunday School, and will continue Monday through Friday from 9 to 11:30 o'clock each morning, Pastor Lynn Hodges announced recently.

Registration fee is $1.00 per child, with commencement services on Friday, July 21.

In other church news, Reverend Hodges reports the congregation has raised $7,500 and will begin additional building at the church.

This Wednesday will be a work night with supper served at 7 o'clock. A men's fellowship barbecue will be held Friday night at 6:30 o'clock at the church, and a work day is planned for Saturday along with a noon luncheon.

Sunday service will begin again at 10:55 a.m.

NSGW Of Pacifica To Hold Annual Barbecue July 15

Pacifica Parlor of the Native Sons of the Golden West will meet at the Greyhound Bus stop in front of Wander Inn at Pedro Beach to attend their annual San Mateo County Native Sons Round Up Barbecue at Willowside Farm in Pescadero on Saturday, July 15.

This year for the first time the ladies are invited to the festivities. Members and their wives are expected to attend from Native Sons Parlors from all parts of the County.

Pacifica Parlos Natives will leave from in front of the Wander Inn at 6:15 p.m.

Tracy, located in San Joaquin County, is reported by the National Automobile Club to be the seat of such important industries as dairying, canning, and sugar manufacturing.

The price is $2 a person. The money collected will be used for expenses and Native Sons civic activities such as their Cleft Palate program, Boys Camp, Public Speaking Contest and others.

The barbecue pit is large enough to handle 200 steaks which will be cooked to order. Five different kinds of salad will be on order. Coffee, soda or other libation will be offered. Hard or soft bread and rolls, cake or pie and other desserts will be available.

DC Citizen, Marines Engage In Maneuvers

Three Daly City citizen-Marines—Maj. Paul Lucey, 763 St. Francis blvd.; Sgt. Don Oliver, 283 St. Francis blvd., and Pfc. Ken Mott, 158 Crestwood dr.—are participating in two weeks of summer maneuvers with Marine Air Reserve Helicopter Transport Squadron 769 at Seattle, Wash. The trio are scheduled to return to the Bay Area Saturday.

Major Lucey and the squadron were airlifted from the Alameda Naval Air Station to their destination in giant four-engine military transport planes.

FOREST FIRE LAWS TO BE ENFORCED BY STATE'S CHP

California Highway Patrolmen will co-operate in the critical battle to prevent forest fires by vigorously enforcing the law which prohibits throwing lighted materials from vehicles, Commissioner Bradford M. Crittenden said.

"Persons who discard cigarettes, matches or other lighted material while they are driving constitute a severe menace to California forests and fields, which have been turned to tinderboxes by the hot, dry weather," he said.

"The Vehicle Code prohibits throwing any flaming or glowing substance from a vehicle or upon any roadway. Patrolmen will be particularly watchful for this violation, especially during these months of highest fire danger."

Ordinance No. 539

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY.

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294, and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City require that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning;

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to R-3 from Unclassified.

Said property is described as follows:

All that real property situate in the City of Daly City, County of San Mateo, State of California, as follows:

Lots 72, 73, 75, northerly 50.4 feet of Lot 74, and easterly 100 feet of Lot 76, Block 7, Castle Tract Homestead Association.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 26th day of June, 1961.

Passed and adopted as an ordinance of the City of Daly City the 10th day of July, 1961, by the following vote:

AYES, Councilmen:
DeBernardi, Dennis, St. Clair
NOES, Councilmen:
None
ABSENT, Councilmen:
Pacelli, Verducci

EVELYN MOSMAN
City Clerk of the

Ordinance No. 538

ORDINANCE ANNEXING CERTAIN UNINHABITED CONTIGUOUS TERRITORY TO THE CITY OF DALY CITY DESIGNATED AS OLCESE ANNEXATION NO. 2

The City Council of the City of Daly City does ordain as follows:

WHEREAS, by resolution duly and regularly adopted, the City Council of the City of Daly City, on March 27, 1961, initiated proceedings for the annexation of certain uninhabited contiguous territory to this City, which said territory is described hereinafter and referred to herein as the OLCESE ANNEXATION NO. 2.

WHEREAS, proceedings have been duly and regularly taken in accordance with the provisions of the Annexation of Uninhabited Territory Act of 1939 (Sections 35,300 and following of the Government Code of the State of California.)

WHEREAS, in accordance with the provisions of Sections 35,311 of said Government Code, a copy of the aforementioned resolution was published once a week for two successive weeks in The Record, a newspaper of general circulation published in the City of Daly City, County of San Mateo, State of California, and in the San Mateo Times, a newspaper of general circulation published outside the City of Daly City but in the County of San Mateo, State of California.

WHEREAS, in accordance with the terms of said resolution a public hearing was held on Monday, May 22, 1961 at the hour of 8 o'clock p.m. in the City Council Chambers, Daly City City Hall, Daly City, California, which said hearing was duly and regularly held.

WHEREAS, at the time and place of said public hearing, no sufficient protest nor opposition to said proposed annexation was made, nor at any time since the institution of these proceedings was any sufficient protest made to the said proposed annexation.

WHEREAS, the City Council of the City of Daly City finds and determines that the provisions of said Annexation of Uninhabited Territory Act of 1939, as amended, have been duly and regularly complied with and further that the said proposed annexation be, and it is in the best interests of the City of Daly City that said property hereinafter described be annexed to the City of Daly City.

NOW, THEREFORE, IT IS HEREBY ORDERED, and the City Council of the City of Daly City does ordain as follows:

1. The City Council of the City of Daly City does hereby annex to the City of Daly City the following described uninhabited contiguous territory situated in the County of San Mateo, State of California, and more particularly described as follows:

EXHIBIT A
DESCRIPTION — OLCESE ANNEXATION NO. 2 TO THE CITY OF DALY CITY

BEGINNING at an angle point in the existing corporate limit line of the City of Daly City, which point is the most easterly extremity of the centerline of "Webster Drive" as shown on that certain Map entitled "St. Francis Heights, Unit No. 4, Daly City, San Mateo County, California," filed September 19, 1958 in Volume 49 of Maps at Pages 41 and 42, San Mateo County Records, said point being also the intersection of the courses "North 0° 10' West 435.55 feet" and "North 89° 36' 20" East 719.75 feet" in the exterior boundary of said Map; running thence along the corporate limit line of the City of Daly City and the easterly line of Block 11 as said Block is shown on the Map aforesaid, North 0° 10' West 435.55 feet; on the arc of a curve to the right, tangent to the last preceding course, with a radius of 480 feet, subtending a central angle of 18° 40' 30", an arc distance of 156.39 feet to the southwesterly corner of Parcel G as shown on the aforesaid Map; thence continuing along the corporate limit line of the City of Daly City and the southerly line of said Parcel G, South 79° 25' 40" East 231.84 feet; thence leaving said line and leaving said corporate limit line, South 20° 08' West 16.70 feet and South 529.35 feet to a point in the northerly line of Parcel F as shown on the aforesaid Map; thence along the northerly line of said Parcel F, South 89° 36' 20" West 245.70 feet to the Point of BEGINNING.

Containing an area of 3.20 Acres

2. Said property above described be and the same is hereby annexed and made a part of the City of Daly City.

3. Said property hereinabove described shall be and the same is hereby made liable and encumbered hereby with all existing bonded indebtedness of the City of Daly City.

4. This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, County of San Mateo, State of California.

5. The City Clerk of the City of Daly City be, and she is hereby, ordered and directed to file a certified copy of this ordinance with the Secretary of State of the State of California in accordance with the provisions of said Annexation of Uninhabited Territory Act of 1939, as amended.

Introduced this 26th day of June, 1961.

RESOLUTION NO. 3020

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DALY CITY GIVING NOTICE OF PROPOSED ANNEXATION OF UNINHABITED TERRITORY TO BE ANNEXED TO SAID CITY OF DALY CITY AND SETTING A DAY, HOUR AND PLACE FOR THE HEARING OF OBJECTIONS TO THE PROPOSED ANNEXATION

WHEREAS, the City Council of the City of Daly City has determined that it would be beneficial to the City of Daly City to annex the following described property to said City,

NOW, THEREFORE, pursuant to the provisions of that certain act entitled "Annexation of Uninhabited Territory Act of 1939," BE IT RESOLVED that a day, hour and place be fixed when and where any person owning real property within the territory proposed to be annexed and having any objections to the proposed annexation may appear before the City Council and show cause why such territory should not be annexed.

The uninhabited territory requested to be annexed is designated as SOUTHERN HILLSIDES ANNEXATION, which is the appropriate identification thereof as required by provisions of the aforementioned Act.

The real property proposed to be annexed is all that certain real property situated in the County of San Mateo, State of California, contiguous to the City of Daly City, and more particularly described in EXHIBIT A attached to this resolution and made a part hereof as though at length set forth herein.

BE IT FURTHER RESOLVED that Monday, the 14th day of August, 1961, at the hour of 8 o'clock p.m. at the City Council Chambers, located at the City Hall of the City of Daly City, California, be, and the same is hereby fixed as the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objections to the proposed annexation, may appear before the City Council and show cause, if any there be, why such territory should not be so annexed.

BE IT FURTHER RESOLVED that the City Clerk of said City be, and she is hereby authorized and directed to cause a copy of this resolution to be published in accordance with the provisions of Section 35311 of the Government Code of the State of California, once a week for two (2) successive weeks prior to the day and hour fixed herein for said hearing, in The Record, a newspaper of general circulation published in the City of Daly City, and also in the San Mateo Times, a newspaper of general circulation published outside the City of Daly City and in the County of San Mateo.

BE IT FURTHER RESOLVED that at any time not later than the hour set for hearing objections to the proposed annexation, any owner of property within the territory proposed to be annexed, may file written protest against the proposed annexation in accordance with the provisions of the aforementioned Act of the Legislature known and designated as "Annexation of Uninhabited Territory Act of 1939." (Government Code of the State of California, Title IV, Division II, Part 2, Chapter One, Article 5.)

EXHIBIT "A"

LOTS 12, 13, 14, 15 and 16 in Block "A" together with the adjoining portion of Baltimore Way as designated on the map entitled "MAP OF SOUTHERN HILLSIDES UNIT NO. 2 BLOCKS NOS. 6435, 6436, 6458 and BLOCKS A, B, C and D, SAN FRANCISCO AND SAN MATEO COUNTIES, CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on April 22, 1927 in Book 15 of Maps at Pages 55, 56 and 57, which lay within the limits of the County of San Mateo and more particularly described as follows:

BEGINNING at the most easterly corner of Lot 12 in Block "A" as designated on the map above mentioned, thence easterly along the northerly line of Baltimore Way on the arc of a curve to the left, having a radius of 2,029.38 feet, an arc distance of 12.73 feet thence leaving the northerly line of Baltimore Way South 11° 11' 6" East 21.57 feet to the center line of Baltimore Way; thence South 75° 43' West along said center line 52.54 feet to an iron pipe monument thence South 9° 45' East 25 feet to the southerly line of Baltimore Way; thence along the southerly line of Baltimore Way on the arc of a curve to the right, having a radius of 290 feet and a central angle of 63° 20' an arc distance of 320.56 feet to the point of compound curvature; thence on an arc of a curve to the left whose radial point bears South 53° 35' West (the distance of said radius not being given on said map) through a central angle of 10° 6' 42" an arc distance of 30.88 feet to the intersection of said curve with the boundary line between the City and County of San Francisco and the County line of San Mateo; thence along said Boundary line North 89° 45' 50" East to the intersection of the line dividing Lot 13 in Block "A" from Lot 9 in Block "A" thence South 50° 38' 47" East along the line dividing Lots 9, 10 and 11 from Lots 12 and 13 to the point of beginning.

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at a regular meeting thereof held on the 26th day of June, 1961, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen:
DeBernardi, Dennis, Pacelli, Verducci, St. Clair

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN: That the County Planning Commission of the County of San Mateo, State of California, did, by resolution thereof, adopted at a regular meeting thereof, held on the 12th day of April, 1961, after following the procedure specified by law, deny a certain amendment to Part I, Division VI of the San Mateo County Ordinance Code, being the Land Use Plan Ordinance of the County of San Mateo, and did deny the same as an amendment to the Master Plan of said county, and did recommend that the Board of Supervisors of said county deny said proposed amendment, which amendment is as follows:

That Section 6115, Sectional District Map No. 3.2 of the County of San Mateo, State of California, be amended so as to reclassify Lot 3, Block 21, City Extension Homestead from an R-E (residential estates—5,000 sq. ft. min. bldg. site) district to an R-3 (multiple family residential) district as said amendment is shown on a map entitled, "Proposed Amendment Sectional District Map No. 3.2 of the Land Use Plan Ordinance of San Mateo County," a certified copy of which map is on file in the office of the Secretary of said Planning Commission at the Court House, Redwood City, California.

NOTICE IS HEREBY FURTHER GIVEN: That said Board of Supervisors in regular meeting assembled on the 5th day of July, 1961 did set a certain time and place for a public hearing on said proposed amendment, at which time and place all persons interested therein may appear and be heard thereon, which time and place is as follows:

At the hour of 11:30 A.M. on the 25th day of July, 1961 in the Chambers of the Board of Supervisors in the Court House, Redwood City, California.

John A. Bruning, County Clerk and Exofficio Clerk of the Board of Supervisors of the County of San Mateo, State of California.

SAVE A SUNNY SPOT FOR THE DWARF CITRUS

Time was when citrus trees were standard equipment in California gardens. But time was, too, when gardens were much larger. The minimum space of today's typical city garden precludes the use of orchard size citrus, and more's the pity.

We have wonderful substitutes, however, in the many dwarf citrus varieties to be found in nurseries. And any gardener who calls himself a true Californian should carry on tradition by planting one or several of them.

It would be hard to find more decorative shrubs for the garden, even among shrubs that were specifically bred for decoration. And it is almost impossible to find trees that produce more food per square foot of foliage. The amount of fruit seems all out of proportion to the size of a dwarf citrus tree.

Despite its tradition as a citrus capital, California's climate will not ripen all citrus varieties in every corner of the state. Check with your nearest California Association of Nurserymen member as to which varieties will do well in your particular situation. By planting dwarf stock, the gardener can extend the citrus belt into marginal areas. A dwarf Orange, when planted against a sheltered and sun-baked wall, will often soak up enough heat to ripen even in north coastal gardens.

If you only want decoration, know that the fruit will color up beautifully even if it doesn't ripen enough to eat. This is our excuse for planting Grapefruit outside the familiar Grapefruit areas in the extreme south of our state. A more appealing sight than dwarf Grapefruit is hard to find. The fruit seems enormous in relation to the size of the plant.

As tubbed specimens on a deck, dwarf Oranges and Mandarins are highly ornamental, as is the orange-colored Rangpur Lime. If you want the true lime flavor, plant a Bearss Lime. The green fruit is unusual to look at, and production is phenomenally high.

Citrus—even these dwarfs—may need winter protection in areas subject to hard frost. But being dwarfs, they are easy to protect. You'll find them highly rewarding.

JULY IS GOOD, EASY MONTH FOR A GARDEN WORKER

The month of July is a good one for the gardener. Except for a minimum of maintenance, he should be able to take his garden or leave it alone. There is no planting that needs to be done and plenty of loafing that should be!

At the same time, July is a month in which you'll find plenty to do if you've a mind to do it. You could utilize your vacation in the garden—redesigning borders and paths, installing a pool, planting for the colorful fall season that lies just ahead. Suit yourself.

The gardener who plans to spend his vacation away from home, however, should take a few precautions to protect his garden while he's gone. Mulch heavily with wet peat moss around Camellias, Azaleas and Fuchsias. Do likewise with steer manure around Roses. Then move potted plants to a shaded spot where they won't dry out and where they will be easily reached by a hose.

The California Association of Nurserymen suggests drawing up a detailed watering schedule for your "garden sitter" so that nothing is left to chance. Include which areas should be watered, when, and for how long.

If you are looking for a garden brightener, there are plenty in July: Tuberous Begonias can be bought in bloom; likewise Cushion Chrysanthemums, which will give you color until the fall Chrysanthemum show starts. You will find yellow Marguerites and blue Aster frikartii—a colorful pair in any sunny spot—as well as container-grown Roses and Hydrangeas, both in bloom.

If the barbecue is a focal point in your summer garden, make it more appetizing by lining it with pots of herbs. C.A.N. nurserymen offer many culinary favorites in ready-to-use sizes.

And if you want a project, consider a pool with running water. A C.A.N. nurseryman can obtain a small circulating pump for you, and furnish plants ideally suited for a pool site. Start it now and enjoy its refreshing nearness through the rest of summer.

BLIND PSYCHOLOGIST HOLDS 3 JOBS

Dr. Herbert Greenberg, New Brunswick, New Jersey, social psychologist, holds two other jobs as an instructor at college, according to the American Foundation for the Blind. Dr. Greenberg recently made news by stating that the sighted too often treat blind people with the same kind of undesirable prejudice that is sometimes practiced against other minority groups.

TV and Radio

By MONA BAKER

Several significant developments are on the fall horizon for educational television stations which now number more than 50 affiliated with the National Educational Television and Radio Center located at Ann Arbor, Michigan. The Center is now setting up a school program exchange with plans for an exchange of school telecast materials among its affiliated stations and their respective school systems according to the latest issue of the NET News.

Also according to the newsletter, "beginning in September and continuing through the 1961-62 television season, NETRC's affiliated stations will set aside three nights each week for special programming from the Center." This will be at "prime time" and will offer documentaries filmed throughout the world as well as public affairs programs on important issues.

This coperative effort on the part of educational stations and the Center should strengthen the program schedule of the various stations immeasurably, as well as bring to viewers outstanding television programs at convenient and regular viewing hours.

* * *

Also slated for fall viewing several important new programs have just been announced by the networks. ABC will launch a Sunday afternoon series, "Adlai Stevenson Reports" presenting world statesmen as his guests in discussions on the United Nations.

For its four year on the air NBC's "Continental Classroom" will offer a two-semester college-level course in American Government beginning in the fall.

* * *

Certainly a "must see" program is scheduled for mid-July over all the networks—live, on-the-spot coverage of the launching of the second American astronaut with CBS news coordinating the all-networks pool. Remembering the last launching which proved to be one of the year's most dramatic moments on television, the program should again bring the feeling that "you are present while history is being made." Watch your papers for time and date.

* * *

IMPORTANT TV DATES: "Union Square Fashion Show" live telecast from San Francisco to be seen over KRON-TV, July 20 and 21, 12:30 p.m.

Over "Doctor's News Conference" on KTVU, July 19, 7:30 p.m., subject under discussion will be "Are Women More Tired Than Men."

"Tomorrow" starring Richard Boone, Kim Stanley and Charles Bickford will be seen on "Playhouse 90" on KPIX, July 18, 9:30 p.m.

FEW INDIVIDUALS TO RECEIVE TAX REFUNDS BY I.R.S.

In response to recent inquiries, District Director of Internal Revenue, Joseph M. Cullen, said this week there are a few individual income tax refunds still to be made to San Francisco District taxpayers.

Cullen said the vast majority of refunds for overpayment of 1960 income tax have already been sent to taxpayers.

He explained that some returns that show large refunds due and contain indications of error are audited before the refunds are made.

This avoids the cost and inconvenience both to the taxpayer and the Service resulting from refunding tax and then facing the possibility of collecting all or part of it back from the taxpayer.

He said the priority schedules are being met in this District for completing these audits and mailing tax refunds.

He said that taxpayers who have been concerned about not having received their refunds can feel a little better, since IRS pays 6 per cent interest on refunds scheduled after June 1.

DRAMA WORKSHOP FOR HI-SCHOOLERS NOW AT SF STATE

San Francisco State College for its eighth year is hosting the annual Drama Workshop for high school students. Forty-five boys and girls representing 25 Bay Area high schools are devoting six weeks of their summer to furthering their knowledge of the dramatic arts.

The workshop is under the direction of Dr. Clarence A. Miller, head of the college's Drama Department, who is assisted by visiting instructors and graduate students.

The enthusiastic group of students attending the Workshop is learning the fundamentals of acting, stagecraft, body movement, theatrical lighting, costume construction, make-up for the stage, and oral interpretation. Class sessions are held daily from 12:30 to 5:00 p.m. and culminate with a public demonstration program written and staged by the students, to which interested persons are invited.

W'lake Lutheran Church School Opens August 7

"Jesus, Our Savior" is the title of the colorful and interesting course to be presented when Westlake Lutheran Church, 222 Avalon drive, opens it's doors to an expected 200 children on August 7 for this year's Vacation Cchurch School.

The School will run for a two-week period ending on Friday, Aug. 18. Hours will be from 9 a.m. to 11:45 a.m.; Monday through Friday. All children between the ages of 3 and 13 years are welcome. Cost for the entire session will be $1.75 per child, with a maximum charge of $5 per family.

Worship, study, singing, recreation, correlated handicraft, refreshments and special events will all be a part of each day's schedule. Highlighting this year's activities will again be the traditional "Christmas in August" celebration to be held on Friday morning, Aug. 11. At this time the children will bring small gifts for Navajo Indian youngsters at the Rock Point Mission in Arizona. These presents will be distributed there during the holidays as evidence of the children's Christian love and concern for others. On that Friday the church will be decorated for Christmas, carols will be sung and special refreshments served.

Also featured will be the annual "Open House" for parents on Friday evening, Aug. 18, from 7:30 to 9 p.m. At this time parents will have an opportunity to view handicraft exhibits, meet with teachers, and enjoy coffee together. Children will receive certificates for faithful attendance as they visit classrooms with their parents.

Visual aids will again form an important part of the teaching. Flannelgraphs, pictures, and colored hilmstrips will all be used. Each child attending will have his own study book and handicraft packet. Vacation Church School pins will be presented uon registering, and each child attending on the first day will receive a special surprise.

Parents may register children in advance each Sunday morning following both the 8:30 a.m. and 11:00 a.m. worship services, or by calling Mrs. Charles Newby, superintendent, at PL 6-0592. Registrations will also be taken on the first day of the school and thereafter.

More than 30 trained teachers and assistants will be on hand to instruct the children. Staff member include: Nursery; Mrs. Angel Madero, Mrs. Tom Thimis, Mrs. Warren Hutchins, Miss Virginia LaChance - Kindergarten; Mrs. Jess Thompson, Mrs. Kenneth Wechsler, Mrs. A. Hammond, Miss Ardanelle Jaranson; First Grade, Mrs. Herman Eck, Miss Lynn Felsinger; Second Grade, Mrs. Kenneth Kraemer, Miss Penny Wooster; Third Grade, Mrs. Robert Johnson, Miss Linda Phelps; Junior I, Mrs. James LaChance, Mrs. Walter Weld; Junior II, Mrs. Herbert Kraling, Miss Pamela Pelton Intermediate; Mrs. Kay Wooster, Mrs. John Abbott.

Refreshments; Mrs. Fletcher Vinson, Miss Gypsy Olson, Miss Linda Trudell, pianist; Ardanelle Jaranson; superintendent, Mrs. Charles Newby.

STATE BONDS ARE OFFERED FOR SALE; BIDS NOW ASKED

State Treasurer Bert A. Betts, this week announced the offering for sale at public bid $225 million of State of California bonds on August 16.

The $225 million sale will be the largest single sale of California bonds in the history of the State. The previous highest sale was made on April 5, 1961, when $190 million in state bonds were sold by Treasurer Betts.

The August 16 offering will consist of $100 million in Veterans Farm and Home Loan bonds, the second issue in a series of $400 million authorized by the voters of the State at the Primary election held June 7, 1960.

The sale will include $100 million in State School Building Aid Bonds approved by the voters at the June 7, 1960, election. The total issue of school bonds approved at that time was $300 million. Also included in the offering are $25 million in State Construction Program bonds, part of an issue approved in November, 1958.

The bids are to be opened at the office of State Treasurer Betts in the State Capitol, Sacramento, at 10 a.m. August 16.

NUPTIALS were held recently at Our Lady of Perpetual Help Catholic Church, joining in marriage Cecilia Villa and Charles Banfield. The new Mrs. Banfield is the daughter of Mr. and Mrs. Manuel Villa, 465 East Market street. The groom is the son of Mr. and Mrs. A. E. Banfield, 240 - 2nd avenue. The couple will make their home in Daly City. Both attended Jefferson Union High School.

887 ENROLLED IN SS CLASSES; TYPING POPULAR

There are 887 students—an all time high—enrolled in the summer school session at Westmoor High School this year, according to Principal Robert Watt.

This figure shows a drop out of 74 students since Friday, June 23, which was the last day for enrollment. On that day, a record 961 had signed up. The number of drop outs is not alarming, and was about what was to be expected, Watt said.

Reasons for drop outs, he said, are usually going on vacation, jobs, or expected difficulty in a course.

The most popular of the enrichment classes is personal typing, with a total of 240 pupils enrolled in both sessions. There are 150 enrolled in the eight-week session and 90 for the six-week session, he said.

Other favorite enrichment courses are conversational Spanish and conversational French. These are offered on a six-week basis, and there is one class of each, with about 28 or 29 in each class.

There are heavy enrollments in such make-up or improvement courses as English, Math, and History, he said.

RODY McDOWALL INTERVIEWS

Roddy McDowall, prominent star of television, motion pictures and the stage, is one of many celebrities who recently interviewed professionals of the American Foundation for the Blind for a new radio series called "Man With a Question."

CAHILL TO INSTALL K OF C OFFICERS AT MONDAY MEET

F. Everett Cahill, past state deputy of the Knights of Columbus and one of the areas most outstanding Catholic laymen will be the installing officer at Marian Council's installation of Officers on Monday evening, July 17, it has been announced by Charles Poetzl, District Deputy of District 23.

The installation will take place in the Eagles Hall, 3344 San Jose avenue, commencing at 8 p.m.

The officers to be installed are: Robert VanderPutten; grand knight, Robert Simon; deputy grand knight; Robert Hale; chancellor, Atileo Pesino; warden, Raymond Tschirgi; treasurer, Henry Wilkenson; financial secretary; Donald Hackett; recording secretary; Vincent Vasile and J. Valerio, inside guards, and Charles Poetzl as trustee for a three-year term.

50th Celebration Highlights Meet Of Skyline Group

The forthcoming Golden Anniversary Celebration in October was the theme for the Skyline Merchants Assn. meeting Monday evening at Val's.

Councilman Frank Pacelli spoke to the group about plans for the celebration marking Daly City's 50th year.

Jack Kendree, managing director of the Skyline Plaza Shopping Center, spoke on how Skyline merchants would support celebration festivities.

Fire Chief Elmer Kennedy showed slides of Daly City in years past.

Frank James, general manager of Frontier Land in Linda Mar, demonstrated his prowess in quick-draw artistry.

Dr. Monroe Alenick and Dr. Robert Brodsky of the Skyline Medical Center gave a demonstration on external heart massage and mouth-to-mouth resuscitation followed by a question-and-answer session to climax the evening.

JFK ACCEPTS HONORARY PRESIDENCY

At a White House Meeting with Helen Keller, President of the United States John F. Kennedy made known that he has accepted the honorary presidency of the American Foundation for the Blind which Miss Keller serves actively as Counselor.

Services At Our Redeemer's, Sunday, July 16

8:30 and 11:00 a.m. — Two Morning Services
Sermon — "Your Emotions are Showing"
9:30 a.m. — Sunday School — 3 years through 8th grade also Adult Bible Class and High School Bible Class.

SIGN OF PROGRESS. Mayor Robert B. St. Clair gives his approval to the art work for a sign that will be placed in front of the Daly City War Memorial Community Center and on several other billboards throughout the Bay Area on September 1. The design, by Nancy Nepstead, depicts the theme for Daly City's Golden Anniversary Celebration, October 7-14, and was selected from 23 entries by art students from Westmoor and Jefferson High Schools. The moustache, newly acquired, is St. Clair's effort in the Golden Anniversary Celebration beard growing contest.

Helpful Hints For Camping Are Offered

There is more to camping out in this era of increasing urbanization than just packing the gear in the family car and taking off.

This is the opinion of the first-aid committee of the San Mateo region of the Golden Gate Chapter of the Red Cross as expressed by the chairmain, William S. Manning.

"A camping vacation can be a pleasant and relaxing experience of you know how to camp," he commented today. "But if you don't have the know-how is can make yourself and your family uncomfortable. If the amateur woodsman makes some mistakes, it can be worse than uncomfortable — it can be dangerous."

The first general rule campers should follow is to be sure, before they pick a camping site, that they have permission to use it. This is automatic when camping in a state or national park.

Second, before choosing a camp site that is not on state or nationally administered property, check to make certain the water supply meets minimum standards.

Other health and safety rules for campers to follow were these:

Pitch you camp so that your waste will drain away from the water supply, not into it.

Insects vary from place to place, so check with the local pharmacist on insect hazards. Follow his advice in buying the right insect repellant.

Learn what poison plants are in your camping area and teach the children to stay away from them—touching as well as eating.

Learn something about the wild life in the area. Large animals may be dangerous. Small animals may carry radies or rattlesnakes may be in the area.

The area around a campfire should be cleared completely for a radius of at least 10 feet. When you are finished with a campfire pour water on it, then cover it with dirt. Strip cigarette butts, stick cigar stubs in sandy soil, cover pipe ashes with dirt.

Special camping cook vessels will cut down on burns and scalds.

Handle an axe as if it were a weapon and keep in a leather sheath when not in use.

Ultra-violet rays of the sun can cause skin cancer. Expose yourself to them discreetly and protect your skin even after you have a even tan.

Although many of these points have been emphasized and repeated year after year, Manning stated, a word of caution to campers does save lives year after year.

SJS To Offer Night Classes In 30 Subjects

Extended day classes, those held between 4:30 and 10 p.m., will be offered in 30 areas of study during the fall semester at San Jose State College, Dr. Arthur H. Price, coordinator of the evening programs announces.

All students who plan to attend day or evening classes must matriculate by applying for admission not later than August 10. Registration will be held Sept. 21, 22, and 23. Classes begin Sept. 25.

Upper division and graduate courses will be scheduled in the following areas of stury; business, education, engineering, humanities and arts, and sciences and occupations.

Qualified part-time students may apply credit from these courses toward degrees and credentials according to departmental requirements. The college catalog should be consulted for specific requirements.

Those interested in attending extended day classes are urged to call the Evening Programs Office, CY 4-6414, Ext. 2611, and request the vening bulletin which will give specific information on registration and course offerings.

GARDENER'S CHECKLIST

By the California Assn. of Nurserymen

1.—Watering is your primary job during July. Lack of moisture will become obvious and perhaps too late. Mulching will conserve moisture.

2.—You can stop pinching Chrysanthemums after this week. Food and water is all they need between now and bloom.

3.—Set out bedding plants, some for quick color now, others for bloom in fall.

4.—Plant berried shrubs now and enjoy their fall display.

5.—Feed Roses again this month and water them liberally. Head back lanky growth to keep the bushes attractively shaped.

CRAPE MYRTLES ARE A SURE SIGHT FOR SUMMER DAY

Drive through a valley town on summer's hottest day and look for the freshest thing in sight. You'll probably find that it's one of the many fine Crape Myrtles. Truly, these shrubs have a spring-fresh look about them.

You won't see Crape Myrtles in most coastal climates, for they resent moist ocean air. In the interior areas, they're tops for hot weather color.

The flowering season of these heat-happy showpieces is from July through September, which just about covers the subject of summer. Then, as summer fades into fall and the nights cool off, the Crape Myrtles give you a bonus of color from their foliage before it drops.

In form, they are large fan-shaped shrubs, often with multiple trunks, but the gardener who wishes can train them up to become small trees. In so doing, he will open up the interior to create a rangier specimen and show off the attractive red color of the branches themselves.

Members of the California Association of Nurserymen offer several different Crape Myrtles in a good range of colors. They are distinguished by the crinkled texture of their showy blooms; and when you've seen one, you'll be able to identify the others.

Most often seen are the Pink Crape Myrtle and the Red Crape Myrtle. The Watermelon Red Improved, however, is an exceptionally good shrub with flowers of a shade that is at once rich and subtle. You will also find White Crape Myrtle and Queen's Crape Myrtle, the latter a lovely shrub with lavender blooms.

Take care in planting to avoid shady spots and don't seek a site that will hide the winter bareness. There is a certain grace in the naked branch structure of Crape Myrtles in winter that you will find appealing.

INCREASED OPPORTUNITIES SOUGHT FOR BLIND

Speaking in Washington, D.C. to 1200 Lions Club Members Helen Keller said: "Only when America and all other countries put energy and enthusiasm into the work of increasing the opportunities of the blind and saving sight shall all mankind be blessed with the right to see." The great deaf-blind leader still works actively through the American Foundation for the Blind which she helped found 40 years ago.

ABOUT SAVING MONEY

Old ideas include hiding your dollars under the mattress, in a sugar bowl, down in the toe of an old sock...

Old ideas bury your money where it earns no interest, or *less* interest than you should rightfully expect...

THE NEW WAY TO SAVE IS AT SYSTEMATIC SAVINGS where your funds earn FOUR AND ONE HALF per cent current yearly interest, FIFTY PER CENT MORE interest paid than most savings institutions!

At Systematic Savings your money is as available as your secret hiding place; withdrawals have always been paid immediately upon request.

Each account is insured to $10,000 by the Federal Savings & Loan Insurance Corporation. Funds received by the 10th of the month, earn from the 1st.

SYSTEMATIC WILL TRANSFER YOUR ACCOUNT – Make your move to higher earnings now! If you are new in this area, let Systematic handle all the details of transferring your account from any savings institution anywhere in the United States.

FREE!
Handy "pull-out" tape measure, 36 inch spring coiled tape with colorful plastic cover and key chain.

PAL Yanks In 3-Game Westmoor Division Lead

Westmoor Division Midgets

The PAL Yankees continued to hold the top spot in the Westmoor Division this week by knocking off the OLM Cubs, 10-4, and taking a 3 game lead over the teams tied for second place.

In other games OLPH defeated the PAL Giants, 6-3. Mike Parodi had a big night as he hit 3 for 3 and shared pitching chores with Mike Chelone to allow the Giants only one hit.

The BYA Blazers collected 11 runs off of seven hits to defeat the Misracks Mustangs. Mustang batters were allowed only one hit by Pitcher E. Williams but managed to score 3 runs.

In a tight game, the BYA Dodgers squeezed by the OLM Cubs, 9-8. Credit for the win goes to the plate work of Kubowitz and Smith.

Jefferson Division Midgets

The BYA Tigers tok a tight grip on second place this week as they downed the OLM Cardinals, 5-1. Nightmare Alley (Tigers batting order) came up with only seven hits.

Misracks Cardinals outscored the BYA Bullets, 10-2, and Parkmerced dropped the Holy Angels Colts. Seve Inerson of Parkmerced had a big day, 5 for 5 at the plate, 3 singles, one triple and a grand slam and 14 RBI's. He also pitched and allowed the Colts only one hit.

Junior League

Daly City Drugs hung on to the crown this week by shutting out a fast fading South Sunset team, 6-0. Paul Clayton allowed So. Sunset only 3 hits.

The OLM Gaels moved into second place this week with two wins to trail the Drugs by one game. South Sunset fell victim to the Gael, 10-3, as Williams of the Gaels threw a no hitter against them and the big bats of Belli, Pigot, Beltramo and McLaughlin smashed out 12 hits. Later in the week, Williams shut out New Pisa, 5-0.

Pacifica Nines Open Season

The Tigers, Oaks, and Seals jumped off to a winning start in Pacifica Baseball League openers recently, according to the Park, Beach and Recreation Department of Pacifica.

In the Pacific Coast League the Oaks took an 8-3 victory over the Solons with Henry Dagenais hurling a three hitter and striking out 11. Dagenais also cracked a double, driving in the winning runs.

The Seals took the Angels 10-1 in the other PCL contest, as Avery Rendon pitched a one hitter. Stan Xenos smashed a pair of doubles and Jim Bonner hit a triple to lead the victors.

The Tigers thumped the Yankees 15-12 in the only American League game, and winning hurler Tom Biscarro gained control in the second inning and kept the Yanks from scoring thereafter.

In the only National League contest, the Dogers and Redlegs tied 1-1. Both teams had three hits.

DC's PAL Indians Take Peninsula Lead

The second week of the Peninsula Midget League found the Daly City PAL Indians white washing Parkview Terrace, 20-5.

Joe Farrell and Wayne Silber cut off Parkview with only 3 hits in 7 innings. The walks buy the Parkview pitchers, 13 of them, plus the 13 hits killed Parkview. Indians Jenot De Volder had a 3 base hit, Larry Black had a home run, Ray Frugoli had 2 for 2, Joe Farrell 2-3, and Val Sabaco 2 for 3.

In the other games, Parkside Yankees beat the PAL Constables 7-2, as Jim Phelan pitched a one hitter. Silver Terrace beat St. Paul 11 to 5. Bob Almirol of St. Paul had two home runs. Rony Liqouri of Silver Terrace had a great day, 4 for 4, 3 triples and a double.

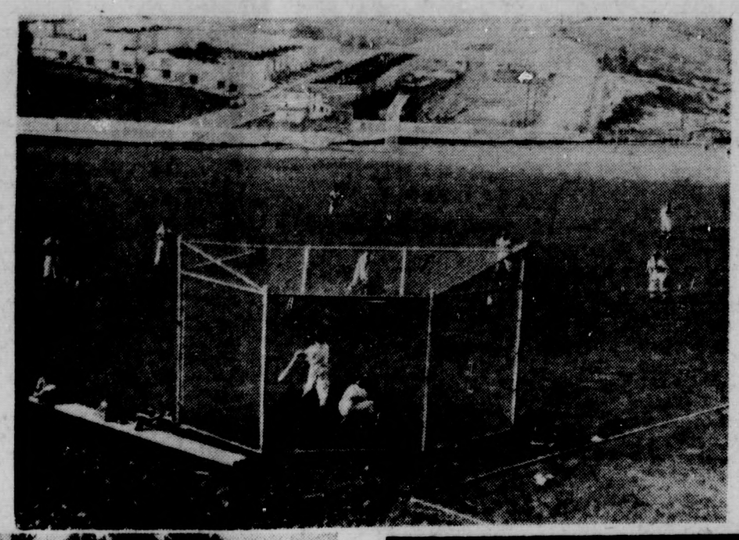
MOTOR VEHICLE REGISTRATIONS

Motor vehicle registrations in the United States totaled 73,895,274 during 1961, reports the National Automobile Club.

Of this total, 61,682,036 were passenger cars, 272,167 were buses, and 11,941,071 were trucks.



DC Rec. Dept. Has Carnivals, Beach Outings

The first Penny Carnival, one of four sponsored by the Daly City Recreation Department, held at George Washington School was a huge success. More than four hundred children from the area attending this exciting event, had a fun-filled afternoon, trying their luck at such games as the Balloon Pop, Ring-A-Bucket, Tic Tac Toe, Feed the Clown, Sharpshooter, and the Goldfish Booth, where a child may win a goldfish in a bowl.

The second Penny Carnival will be held this Thursday at Marchbanks Park, the third Carnival will be held on Thursday, July 20 at the Westmoor High School Football Stadium and the fourth Thursday, July 27 at Westlake Park. All of these Penny Carnivals will start at Noon and end at 3:00 p.m.

Montara Beach Outing

On Thursday, July 6, children from Ben Franklin, Garden Village, Westlake Park, Olympia School and Westlake School attended a recreation outing to Montara Beach State Park.

Children arrived at the beach at 11:00 a.m. and basked and played in the warm sun until 3:00 p.m. Some of the many activities engaged in during this time were nature hunts, volleyball games and beachball.

A tired but happy crowd of youngsters returned to their playgrounds with many pleasant memories of a day well spent.

Daly City Playgrounds

Children of Westlake Park held an "on the spot" picnic on July 4. Everyone seemed to have a great time and the Recreation Leader reports that he plans on having more of the fun-filled events in the future.

The Ping Pong Tournament currently being held at Westmoor High School is full of entries in all age groups for both boys and girls. The girls, 9-12 group, has Paula Dolder, Debbie Woodall, Vivian Goldman, and Barbara Borras. The boys, 9-12 age group, has Owen Maron, Rusty Tahir, Gary Clay, John McCall, Dennis Macango, Mike Garrett, Grant Cvitanich, Jerry Weiner, Paul Franke, Steve Marcus, Rick Somdahl, Larry Sullivan, Mark Cvitanich, Daryl Shamitoff, Tom Kunst, Terry Carthy and Bill Brown.

The girls, 13-17 group, has Carol Ann Solari, Mimi Ettlinger, Andrea Harvey, Gail De Marco and Susan Franke.

The Boys, 13-17 group, has Steve Hudgesn, John Moran, Rich Holmberg, John Somdahl, Mitch Mann, Larry Carrillo, Tome Carrillo and Rich Terry.

NEW DIRECTORY

The newly published 12th edition of "The Directory of Agencies Serving Blind Persons in the United States and Canada" lists both governmental and voluntary services, including information about local offices and schooling for blind children. The Directory is available from the American Foundation for the Blind, 15 West 16th Street, New York City at $3.00 per copy.

MAJORITY DC YOUTHS ENJOY REC PROGRAM

By LARRY RUIZ

With school out, the big rush is on . . . on the broad shoulders of one Charles "Chuck" Vincent, director of the Daly City Recreation Department.

With open sport shirt and that air of open freedom characteristic of social and athletic activity, Chuck informed us of the great breadth and variety of operation in the Rec Department:

"It's difficult to say exactly what portion of the youth of the city participates in our activities, but a majority certainly do.

"We coordinate with numerous commercial and youth organizations in developing our athletic leagues, and have close cooperation with schools in our playground activities," Chuck affirmed.

"One program we're particularly proud of is the Teen Age Club. This summer it has 900 members, all high school students, who live in Daly City. They have numerous projects and activities—raising funds to fight cancer, monies for easter egg hunts and Christmas gifts, and trips to the State Fair and Santa Cruz," he continued.

"We sincerely believe that for the size of Daly City and the money available, a person would have to go a long way to find a better Recreation Department," he finalized.

The functionality of the department is amazing. Only two full-time men—Chuck and Ed Tomasello—direct the program. They also have a secretary and two janitors at the new facility, the War Memorial Community Center on Mission street, and 36 part-time employees throughout the city.

Perhaps most far-reaching in the program is the 19 school playgrounds and parks which range in early summer average daily attendance from 100 to about 800—as counted at peak periods in the early afternoon.

An impromptu tour around the Center reveals ballet and hulla classes, and a gymnasium full of DC youth.

Totally, the program offered or coordinated by the Rec Dept. includes Arts and Crafts, Movies, Music, Baton, Archery, Tumbling, Basic Dance, Ballet-Free Style, Tap-Acrobatic, Hawaiian Dance, Ballroom Instruction, Charm, Tennis, Creative Group Play, Teen-Age Club, Badminton, Baseball (Little League, see top photo), Shuffleboard, Volleyball, Swimming, and a large variety of special events.

The Junior Olympics (upper left photo, girls 50-yard dash), camp outings (lower left, barbecue), and even such nonsensical fun as a special "Hobo Day" (lower right photo) are part and parcel of the scope of the city recreation department.

One should not underestimate the value of simple, non-earth-shaking fun such as Indian wrestling which may occur at any youth activity (upper right photo).

Herewith expressed is a vote of confidence to Chuck and his group for a continuing fine job, and to organizations such as the Police Athletic League and the Young Women's Christian Association, which sponsor and make possible dance programs and athletic team competition.

* * * *

This week the "Special Events Schedule" of the Daly City Recreation Department features:

Thursday, July 13—Beach Outing—Crocker School, Frankfort Park, George Washington, Lincoln Park.

Thursday, July 13—Penney Carnival—Colma School, Edgewood Park, Marchbanks Park, Vista Grande School, War Memorial Community Center, Woodrow Wilson.

Friday, July 14—Surprise Day—Daniel Webster School, Thomas Edison School, Northridge Park, Palisades Park, Vista Mar School, Westmoor School.

Friday, July 14—Trip to the Zoo—Ben Franklin School, Olympia School, Garden Village School, Westlake Park, Westlake School.

* * * *

Ever think of the grassroots of things? Daly City recreation had its start some years ago when millionaire-sportsman John W. Marchbank donated 14½ acres to the city for a recreational area.

The WPA in 1936 constructed a large play area on the property, and it was called Marchbank Park. It remains today the largest park in Daly City.

During the war years, the formation of a City Recreation Commission paved the way for a purposeful community recreation program. Elman J. Rose was the part-time director, and the first summer program was offered in 1946. At that time there were three areas utilized by the department: Lincoln Playground, Marchbanks Park, and Jefferson Union High School.

Fast-growing Westlake finalized Westlake School and, with new facilities and larger population, bigger budgets were promoted each succeeding year, and James R. Mason was selected as full-time director.

In 1953 Mason moved into the new $400,000 War Memorial Building, and the community passed a bond issue for city playground expansion.

Dee R. Van Nest became Director of Parks and Recreation, and a special school tax enabled 77,000 additional participants to enjoy five playgrounds and four school sites in 1957.

Today under Chuck Vincent the Parks and Recreation Department is more effective than ever before, and reaches large numbers of the youth of Daly City, although adult participation is still negligible.

It's SPARE TIME at Westlake Bowl

By JIM GREALISH

Last Friday afternoon the Third Annual Daly City Police Athletic League Benefit Bowling Tournament was given a big boost as many dignitaries were on hand for Celebrity Day.

Two members of the Professional Bowlers Association were to be the featured performers. Les Barrett, who will join The Dallas.. Broncos,.. and.. Fuzzy Shimada, who has signed with The Fresno Bombers, both shot a 617 series but Bill Joplin stole the limelight with a 667 scratch series plus a 60 pin handicap to take the Tournament lead.

Chief Petrocchi welcomed the celebrities thanking them for their contribution to the PAL by being present. Four members of the Ice Follies current show were on hand as was Ora Mayer, ABC all-Events Champion of 1935; Lloyd Brown, San Francisco Manager of The Brunswick Cororation; Phil McAskill, Past President of San Francisco Bowling Association; Primo Liberatore, League Manager at Westlake, and Dick Truesdell, Resident Instructor at Westlake.

A new program started at Westlake last Friday afternoon and will continue as a weekly feature. It is a bowling program for handicapped persons under the direction of Mrs. Miggs Jacobs. Many of the group are members of the Physically Handicapped Indoor Sports Association and this is another phase of the program. It is planned to have bowling competition with groups from The East Bay, Peninsula and Marin areas in the near future. Mrs. Jacobs may be reached for further information at MO 4-6783.

Westlake Bowlers are still bringing home money from Bay Area Tournaments. The latest to reap the rewards of good bowling are Boyd Hillyer and Ray Moore who shared twelfth place in the Concord Bowl 2nd Annual Doubles Tournament and split the $100.00 prize. In the same tournament, Al Gordon and Ron McLain shared a $50.00 prize while Fred Thompson and Allen Pettigrew split $40.000. Allen's 237 game was worth an additional $10.00.

Angie Ferrigno has a little difficulty with high scores in league lay, but in practice he has no problems. Last weekend while.. practicing.. for.. league play, he calmly strung ten consecutive strikes and on a beautiful hit in the eleventh frame left one pin for a 289 game.

Bonnie Greer led the ladies in the Semi-Final round of the Ladies League Championship Tournament with a 2044 total for ten games thereby winning the $15.00 special prize. The other four qualifiers for the finals were Barbara Hicks, Doris Cunningham and Trudy Greene.

Don Molteni took the Friday Night Jackpot Sweepers with a 671 total including handicap, but lost his "King of The Hill" title in the Jackpot Rolloff five strikes to two.

The Sunday night Moonlight Satellite Scotch Doubles continues to hold the interest of Westlake Bowlers with 128 participating last week. Sharon Sylvester and Tim Dunn took first place with 647 defeating Joan Gisler and Harry Gasper by 21 pins as 22 bowlers shared in the prize money.

Resident Instructor Dick Truesdell reports increased attendance in the instruction classes, particularly on Saturday afternoons and Monday evenings. The Wednesday Brunch Class which meets at 10:30 each week has now brnached into an advanced and a beginners class as many of the ladies have progressed to the point of being ready for a beginners league.

Currently holding the interest of the boys and girls in the Daly City Area is the 2nd Annual Junior House Championship. With over 70 entries in the first three days of play, most of the junior bowlers are participating. Leading the Doubles Division with a 1227 total are Pete and Joanne Pollat, while Bob Hood and Bob Bias hold second place with 1191. Steve Hargrove holds the lead in the Singles Division with 651 leading Larry Tomassini by 16 pins.

Junior Baseball League Playoffs

In a flurry of make up games the Daly City Recreation Department's Junior Baseball League has resolved itself in a three way tie for first place.

Three teams have compiled a 9 and 2 record. George Benson's Daly City Drug Team, Roger Kucich's D & S Lumber Team and Bud Pellissier's OLM Gaels will playoff for the Daly City Championship.

The first game of the playoffs will take place Saturday, July 15, 1:30 p.m. at Marchbanks Park. This game will pit the OLM Gaels against D & S Lumber. Saturday, July 22, the winner shall meet Daly City Drugs for the championship.

The OLM Gaels feature the pitching of Big Dave Williams. Williams is unquestionably one of the best chuckers to hit Daly City diamonds in a long time. He is backed up at the plate by the OLM machine gun squad, Belli, Pigot, Beltramo, McLaughlin and Torre. These players have shaken the confidence of most league pitchers as they blasted hits through rival infielders.

D & S Lumber is the dark horse in the play-offs. Rog Kucich has a well balanced team and a fine pitcher in Chuck Silk. Silk has been helped by the big lot of Dan Payette (580 Ave. for league play). Payette can hit the long ball as his grand slam homeruns have proven.

Early season favorite, Daly City Drugs feature a large and excellent pitching staff, Clayton, Howe, Tringale, Egan and Benson. Any of these boys could handle pitching chores all by himself. Coach George Benson passed the word that Paul Clayton will get the nod for the play-off game. Plate work by the Drugs has been very spotty with the exception of Tom Snodgrass and Barry Pathoff. These two boys have earned the respect of local pitchers over a period of years. Either boy can break up a ballgame with the long ball.

The Daly City baseball fans are invited to attend both of these games. Game time will be 1:30 p.m., June 15 and 22 at Marchbanks Park. There are grandstand seats available at Marchbanks Park and the game will be announced over a public address system.
